Problems of Democratic Transition and Consolidation Juan J. Linz, Alfred Stepan, 1996-08-22 Since their classic volume *The Breakdown of Democratic Regimes* was published in 1978 Juan J Linz and Alfred Stepan have increasingly focused on the questions of how in the modern world nondemocratic regimes can be eroded and democratic regimes crafted In *Problems of Democratic Transition and Consolidation* they break new ground in numerous areas They reconceptualize the major types of modern nondemocratic regimes and point out for each type the available paths to democratic transition and the tasks of democratic consolidation They argue that although nation state and democracy often have conflicting logics multiple and complementary political identities are feasible under a common roof of state guaranteed rights They also illustrate how without an effective state there can be neither effective citizenship nor successful privatization Further they provide criteria and evidence for politicians and scholars alike to distinguish between democratic consolidation and pseudo democratization and they present conceptually driven survey data for the fourteen countries studied *Problems of Democratic Transition and Consolidation* contains the first systematic comparative analysis of the process of democratic consolidation in southern Europe and the southern cone of South America and it is the first book to ground post Communist Europe within the literature of comparative politics and democratic theory This is an important volume by two major scholars on a central topic one of broad interest to people in comparative politics to those interested in democracy and to regional specialists on Southern Latin America and on Central and Eastern Europe The book will unquestionably be a major contribution to the literature on constructing democratic governance Abraham F Lowenthal University of Southern California

Cold War Olympics Harry Blutstein, 2021-12-17 The political tension of the Cold War bled into the Olympic Games when each side engaged in psychological warfare exploiting sport for political ends In Helsinki the Soviet Union nearly overtook the United States in the medal count Caught off guard the U S hastened to respond certain that the Soviets would use a victory at the next Olympics to broadcast their superiority over the Western world Following the 1956 suppression of the Hungarian uprising a Soviet athlete struck a Hungarian opponent in the Melbourne water polo semifinals turning the pool red The United States covertly encouraged Eastern Bloc athletes to defect communist Chinese agents nearly succeeded in goading the Taiwanese government into withdrawing from the games and a forbidden romance between an American and Czech athlete resulted in a politically complex marriage This history describes those stories and more that resulted from the complicated relationship between Cold War politics and the Olympics
