Basil Christopher Butler

The Idea Of The Church:

The Idea of the Church: an Essay James Panton Ham (the Elder.), 1867 John Henry Newman on the Idea of Church Edward Jeremy Miller, 2025-05-16 Edward Jeremy Miller's first book is a study of Newman's ecclesiology Miller examines Newman's essays in his Uniform Edition writings long familiar and all 20 000 letters of his correspondence materials much less known and where Newman writes to friends more bluntly Miller's book remains the definitive study of Newman's theology of the church Its new perspectives include a dialectics of discourse Newman's clever checks and balances strategy and his advocacy for involving the laity in the clerical dominated church of his day for consulting them for their views and describing how church teachings are received by being understood properly Finally Newman's ecclesiology would champion what Pope Francis wishes today for a church more synod like an inclusive church listening to all of its voices **The Idea of the Church** John Adam Kern, 1907 The Idea of the Church Basil Christopher Butler, 1962 The Idea of the Victorian Church Desmond Bowen, 1967 Fr Richard Schiefen collection The Idea of the Church Frederick J. Parrella, 2023-11-07 After World War I a German bishop described the twentieth century as the century of the Church In this twenty first century the truth of his words have resonated with both Protestants and Catholics wrestling with the meaning and mission of the Christian community In order to comprehend the Church one must explore its own self understanding throughout the centuries from its foundation in the preaching of Jesus the Fathers of the Church the Medieval Period the Reformation and the emergence of the modern and postmodern technological world of today THE IDEA OF THE CHURCH is not Church history but an historical sketch of how the Church defined itself in its two millennia The Church has a rich tradition of theologies of God Jesus Christ sin and grace and ethics In the century of the Church ecclesiology finally dominated the theological enterprise becoming in the words of Henri de Lubac the meeting place of all mysteries **The Idea Of The Church** B C Butler, 2023-07-18 Explore the complex and evolving idea of the Church with B C Butler This book offers a comprehensive and insightful analysis of the nature and role of the Church throughout history including its relationship to spirituality ethics and society at large This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Idea of a Christian Church.
