The Illustrated Guide To World Religions:

The Illustrated Guide to World Religions Michael David Coogan, 1998 Graced with rich illustrations and written by a team of eminent scholars this book presents a wealth of information on faiths around the world Each chapter in this volume examines one of seven major world religions from Judaism to Christianity and from Islam to Buddhism **The Illustrated Guide to World Religions** Dean C. Halverson, 2003 With the world at America's doorstep clear and insightful information on world religions is more important than ever This guide presents the evangelistic challenges and opportunities of the world's religions in a graphic format **The Illustrated Guide to World Religions** Michael David Coogan, 2012-01 Profiles Judaism Christianity Islam Hinduism Buddhism Chinese traditions and Japanese traditions **The Illustrated World's Religions** Huston Smith, 1995-08-18 Retaining all the beloved qualities of Huston Smith's classic *The Religions of Man* and the current fully revised and updated *The World's Religions* this stunning pictorial presentation refines the text to its wonderful essentials In detailed absorbing richly illustrated and highly readable chapters on Hinduism Buddhism Confucianism Taoism Islam Judaism Christianity and primal religions we find refreshing and fascinating presentations of both the differences and the similarities among the worldwide religious traditions The approach is at once classic and contemporary retaining all the empathy eloquence and erudition that millions of readers love about the earlier editions while being edited and designed for a contemporary general readership This delightful marriage of winsome text and remarkable pictures vividly brings to life the scope and vision of Huston Smith's expertise and insight [The Illustrated Guide to World Religions](#), 2003 *World Religions* Seán McLoughlin, 2007 This book is part of an invaluable series of accessible reference books packed with essential information *World Religions* is organised into the six main geographical areas and as such is a comprehensive guide to religions past and present from all over the world from Hinduism and Islam to the beliefs of the Aztecs invaluable for home and school The reader will learn about the sacred figures texts rituals and myths [Inside World Religions](#) Kevin O'Donnell, 2007 The living faith of millions of people in the world's most important religious traditions is portrayed here with sympathy and intelligence in each case emphasizing key elements Author Kevin O'Donnell does not dissect each tradition however Instead he looks at each faith from a more personal angle asking what it means for a person to belong to such a faith Covering six major traditions Hinduism Buddhism Sikhism Judaism Christianity and Islam together with shorter sections on Zoroastrianism Baha'i Confucianism Taoism and Shinto the author follows the same pattern for each O'Donnell asks the reader to join in a spiritual exercise personalizing the insights of each tradition into one's own journey of faith Illustrated throughout with full color photography *Inside World Religions* invites the reader on a journey of encounter and self discovery **BOOK JACKET** **World Religions**, 2009 Describes the beliefs practices celebrations and codes of the major world religions Includes Judaism Christianity Hinduism Islam Buddhism and the Chinese and Japanese belief systems [Illustrated Guide to World Religions](#) Shawn Blair, 2024 **Religions of the World** Elizabeth Breuilly, Martin

Palmer,1993 An excellent introduction to the world s religions for readers aged eight and over presented in a clear Question and Answer format with easy to follow maps and diagrams throughout and a comprehensive glossary of new words The book explores each of the world s major religions Buddhism Christianity Hinduism Islam Judaism Sikhism plus the religions of China and Japan and explains their histories rituals and beliefs festivals and holy days The clear concise text is illustrated with over 50 colour photographs and special features include a box on religious festivals throughout the year and information on where the religious peoples of the world are to be found **Nelson's Illustrated Guide to Religions** James A. Beverley,2009-05-17 A comprehensive introduction to the religions of the world analyzed from a Christian perspective Nelson s Illustrated Guide to Religions covers more than 200 religions sects and cults most of them ones the reader might encounter on any given day It is the most complete and up to date Christian guide to world religions Perfect for the student as well as the layperson Written by leading expert in religions James A Beverley **Religions of the World** Elizabeth Breuilly,Joanne O'Brien,Martin Palmer,1997-01-01 Discusses the religions of the world and their festivals rituals beliefs ceremonial objects and history *Art and Architecture of the World's Religions* Leslie D. Ross,2009-06-04 Two abundantly illustrated volumes offer a vibrant discussion of how the divine is and has been represented in art and architecture the world over Beginning with the ancient worlds of Mesopotamia Egypt Greece and Rome and moving forward through time Art and Architecture of the World s Religions explores the major faiths from countries and continents around the globe helping readers better understand the creations their beliefs have inspired After tracing the history and development of a religion the book provides a general overview of its principal beliefs and key practices It then offers specific examples of how works of art architecture reflect that religion s values The focus of each chapter is on the temples churches and religious buildings statues paintings and other works of art and architecture created by believers Each representative work of art or architecture is examined in terms of its history materials symbols colors and patterns as its significance is explained to the reader With extensive illustrations these volumes are the definitive reference work on art and architecture of the world s religions After World Religions Christopher R Cotter,David G. Robertson,2016-02-05 The World Religions Paradigm has been the subject of critique and controversy in Religious Studies for many years After World Religions provides a rationale for overhauling the World Religions curriculum as well as a roadmap for doing so The volume offers concise and practical introductions to cutting edge Religious Studies method and theory introducing a wide range of pedagogical situations and innovative solutions An international team of scholars addresses the challenges presented in their different departmental institutional and geographical contexts Instructors developing syllabi will find supplementary reading lists and specific suggestions to help guide their teaching Students at all levels will find the book an invaluable entry point into an area of ongoing scholarly debate **Global Citizenship, Cultural Citizenship and World Religions in Religion Education** David Chidester,2002 **World Religions for Healthcare Professionals** Mark F Carr,Siroj Sorajjakool,Ernest Bursey,Siroj SSorajjakool,Julius J

Nam, 2017-02-10 Religious beliefs and customs can significantly shape patients and professionals attitudes toward and expectations of healthcare as well as their wishes and personal boundaries regarding such daily matters as dress diet prayer and touch Undoubtedly the sensitivity with which clinicians communicate with patients and make decisions regarding appropriate medical intervention can be greatly increased by an understanding of religious as well as other forms of cultural diversity This second edition of a popular and established text offers healthcare students and professionals a clear and concise overview of health beliefs and practices in world religions including Hinduism Buddhism Jainism Confucianism Taoism Sikhism Islam Judaism and Christianity Adopting a consistent structure each chapter considers the demographic profile of the community the religion s historical development and key beliefs and practices including views regarding health and sickness death and dying Each chapter also ends with a useful checklist of advice on what to do and what to avoid along with recommendations for further reading both online and in print form The book s clear and consistent style ensures that readers with little background knowledge can find the information they need and assimilate it easily A brand new chapter on applications and a set of new case studies illustrating issues in clinical practice enhance this wide ranging book s value to students and practitioners alike World Religions for Healthcare Professionals Mark Carr, Siroj Sorajjakool, Ernest Bursey, 2023-08-08 This third edition of a popular text introduces healthcare students and professionals to a wide range of health beliefs and practices in world religions Chapters on various religions are written to offer an insider s view on the religion s historical development key beliefs and practices including ideas of health sickness death and dying The chapters include case studies advice on what to do and what to avoid when caring for patients Introductory chapters invite the reader to consider the broad context of patient care in pluralistic society and explore one s personal orientation to others from different religions How we care for patients from different backgrounds and cultures insists on professional boundaries that the reader may have not yet examined A new chapter explores the relationship between religion and public health in light of the COVID 19 pandemic asking the reader to consider what morally appropriate balance is required if and when personal faith conflict with public health needs Undoubtedly the sensitivity with which clinicians communicate with patients and make decisions regarding appropriate medical intervention can be greatly increased by an understanding of religious and cultural diversity This is a core textbook for students studying healthcare religion and culture and an invaluable reference for healthcare professionals World Religions for Healthcare Professionals , 2009-09-10 World Religions for Healthcare Professionals provides healthcare professionals with a basic knowledge of health beliefs and practices in world religions such as American Indian Religions Buddhism Christianity Confucianism Hinduism Islam Judaism Sikhism and Taoism as well as selected new religious movements It explores how various religious traditions view sickness health birth and death Its primary aim is to offer healthcare professionals a greater awareness of beliefs and practices so that they will be better informed in providing effective care to patients from various religious backgrounds Many deeply controversial bioethics

issues such as abortion euthanasia assisted suicide and stem cell research are also addressed in this volume from the perspectives of world religions Written in a user friendly fashion and easy to reference this book is suitable for all health practitioners and organized in a way that will make it easy to search and learn basic applications **The Dictionary of Beliefs** Richard Kennedy,1984 This book is designed to impart the maximum amount of information presented dispassionately in the most attractive way possible The illustrations have each been chosen to complement the text they add something to our knowledge and appreciation and reflect the diversity colour and vitality of the different beliefs of the world

A World of Difference (Reasons to Believe) Kenneth Richard Samples,2007-09-01 Recent Barna research indicates that less than one in ten evangelical Christians hold a biblical worldview A World of Difference seeks to change this disturbing fact by educating readers on how the Christian perspective is uniquely reasonable verifiable and liveable Author Kenneth Richard Samples faced a profound test of his own belief system during a personal life and death crisis In A World of Difference he uses nine distinct tests to compare the Christian worldview with current religious and philosophical competitors including Islam postmodernism naturalism and pantheistic monism Samples tackles tough issues through this in depth study of Christianity s history creed and philosophical basis An excellent resource for readers who want their view of life and the world to make sense
