Higher Education Amendments of 1968 United States. Congress. House. Education and Labor, 1968

The Early Years of a Dutch Colonial Mission Rita Smith Kipp, 1990 This fascinating story of a Dutch Reformed mission among the Karo of North Sumatra chronicles the field's first fifteen years 1889-1904 Plantation executives sponsored the mission hoping to enlist the Karo as Christian allies in a colonial war against Muslim fanatics But the Karo hated the plantations and likewise distrusted and resisted the missionaries Civil servants saw the mission as a forerunner of the government's annexation of the Sumatran highlands and in the military expedition to take the region the missionaries played a prominent role Consequently the missionaries found their credibility diminished by their links to the despised colonial apparatus Nonetheless the missionaries' motives were religious and they struggled with the compromises that made their work possible yet ultimately precluded its success Unlike other missionary studies that focus on biography or on large regions this historical ethnography concentrates on a single field and on the personalities and activities of the several men who pioneered it in its formative years It examines the missionaries' assumptions and values describe how the missionaries contrasted themselves with the government and capitalist business and explores the difficulties of translating Christianity

across a great cultural gulf The Early Years of a Dutch Colonial Mission will give pause to anyone who has thought missionaries heroic or to anyone who has thought them misled **Journal of the Albany County Legislature of the County of Albany** Albany County (N.Y.). County Legislature, Albany County, N.Y. County Legislature, 1907 **Annual Report of the Poor Law Board** Great Britain. Poor Law Board, 1850 **Transitions in Income and Poverty Status** Kathleen Short, Mark S. Littman, 1990 **Plan for the Relief of the Poor in Ireland** William Smith O'Brien, 1830

Globalization and the Poor in Asia M. Nissanke, E. Thorbecke, 2008-04-17 Asia is widely regarded as having benefited most from the dynamic growth effect of the recent wave of globalization By examining mechanisms at work in the globalization poverty nexus through specific case studies reflecting different settings the book seeks to find ways to rediscover and resume a pattern of shared growth in Asia **Winning the War on Poverty** Brian L. Fife, 2018-04-12 Applying lessons from history to the reality of poverty today in the United States the most affluent country in the world this book analyzes contributing factors to poverty and proposes steps to relieve people affected by it American history is replete with efforts to alleviate poverty While some efforts have resulted in at least partial success others have not because poverty is a multifaceted complicated phenomenon with no simple solution Winning the War on Poverty studies the history of poverty relief efforts in the United States dating to the 19th century debunking misperceptions about the poor and tackling the problem of the ever widening gap between the rich and poor It highlights the ideological differences between liberal and conservative beliefs and includes insights drawn from a well rounded group of disciplines including political science history sociology economics and public health Premised on the idea that only the lessons of history can help policymakers recognize that the United States has a persistent poverty problem that is much worse than it is in many other democracies the book suggests an 18 point plan to substantively address this dilemma Its vision for reform does not pander to any particular ideology or political party rather this book explains how the United States can win the war on poverty in the short term

Asiatic Review , 1902 Beginning in 1895 includes the Proceedings of the East India Association **China in the Global Economy Agricultural Policies in China after WTO Accession** OECD, 2002-09-12 This book presents the proceedings of an OECD conference reflecting on how China can best manage its reform process under WTO integration **All the Year Round** Charles Dickens, 1861 **Annual Report of the Executive Directors for the Fiscal Year** International Monetary Fund, 1999 **The Last Mile in Ending Extreme Poverty** Laurence Chandy, Hiroshi Kato, Homi Kharas, 2015-07-20 Viewed from a global scale steady progress has been made in reducing extreme poverty defined by the 1 25 a day poverty line over the past three decades This success has sparked renewed enthusiasm about the possibility of eradicating extreme poverty within a generation However progress is expected to become more difficult and slower over time This book will examine three central changes that need to be overcome in traveling the last mile breaking cycles of conflict supporting inclusive growth and managing shocks and risks By uncovering new evidence and identifying new ideas and solutions for spurring

peace jobs and resilience in poor countries The Last Mile in Ending Extreme Poverty will outline an agenda to inform poverty reduction strategies for governments donors charities and foundations around the world Contents Part I Peace Breaking the Cycle of Conflict External finance for state and peace building Marcus Manuel and Alistair McKechnie Overseas Development Institute Reforming international cooperation to improve the sustainability of peace Bruce Jones Brookings and New York University Bridging state and local communities through livelihood improvements Ryutaro Murotani JICA and Yoichi Mine JICA RI and Doshisha University Postconflict trajectories and the potential for poverty reduction Gary Milante SIPRI Part II Jobs Supporting Inclusive Growth Structural change and Africa s poverty puzzle John Page Brookings Public goods for private jobs lessons from the Pacific Shane Evans Michael Carnahan and Alice Steele Department of Foreign Affairs and Trade Government of Australia Strategies for inclusive development in agrarian Sub Saharan countries Akio Hosono JICA RI The role of agriculture in poverty reduction John McArthur Brookings UN Foundation and Fung Global Institute
