The Incredible Adventure Of Professor Branestawm Large Print Series:

The Incredible Adventures of Professor Branestawm Norman Hunter, 2013-03-07 Rediscover Professor Branestawm this Christmas soon to become a brand new drama on BBC ONE written by Charlie Higson and starring Harry Hill Once you started anything in Professor Branestawm's house you never knew when it might finish or even if it ever would Poor Mrs Flittersnoop It's not easy being Professor Branestawm's housekeeper People may say he's a genius but all his inventions always make life more complicated alarming and extraordinary than it was before An innocent bottle of old cough mixture turns out to be an elixir that makes all the waste paper in the bin come to life the burglar catcher and the pancake maker operate just a little too efficiently and about the spring cleaning machine the less said the better You could write a book about it but nobody would believe it Includes exclusive material In the Backstory you can find out about accidental inventions that changed our lives and try a few experiments of your own Vintage Children's Classics is a twenty first century classics list aimed at 8-12 year olds and the adults in their lives Discover timeless favourites from The Jungle Book and Alice's Adventures in Wonderland to modern classics such as The Boy in the Striped Pyjamas and The Curious Incident of the Dog in the Night Time

Knowledge in Publics Lorraine Locke, Simon Locke, 2013-10-30 This book presents a series of cutting edge research studies in the field of public understanding of science with particular focus on aspects of informal science education In addition to providing up to date overviews of current thinking about how best to conceptualise the field it offers a range of primary research studies examining informal public venues of science and mediations of scientific knowledge and representation With contributions from some leading international researchers the book provides discussions and case studies addressing the USA UK and Europe Africa and India offering insight and assessment of key issues on a global footing Challenging extant notions of science public relations in terms of deficiency engagement and knowledge transfer the book taken as a whole argues for approaches that take seriously the multiplicity of publics and that recognise the centrality of social relations and social contexts to forms of knowledge and ways of knowing
