From the Trade Paperback edition Kingdom Authority Paul A Tozer, 2022-09-15 The desire for power is universal. The most incredible power, however, is that of Kingdom authority, which the Bible makes known. This power was released when God resurrected Jesus Christ from the dead. The good news is that every believer today has access to this power, the greatest power in the universe. But this power is seldom felt by Christians. They are surrounded by darkness and the frailty of the planet. They are being prevented from receiving their inheritance by Satan and his henchmen. However, Paul Tozer can demonstrate to readers how to participate in God's mighty efforts to transform the earth and establish his heavenly kingdom. Jesus granted his followers the power to cure the sick, release the prisoners, drive out demons, and proclaim the good news of the kingdom of God. Jesus spread the power of the Kingdom wherever he went. Without a display of might, the gospel could not have been preached. The greatest spiritual movements of the first century were sparked by the genuine display of Jesus' power by his disciples. We are moving away from the spiritual milieu of 1950s America and toward that of the first century. Only the uneven exhibition of Jesus' might can persuade people of Christ's superiority in a pluralistic, syncretistic culture where all gods are seen as equal. Authority is essential for displaying the king's power, and authority is developmental rather than merely positional. Identity, closeness, and faith are the foundations of spiritual authority and are what give it power. This book delves deeply into how we might increase our identity, closeness, and faith in order to strengthen our leadership and usher in the kingdom. In this book, you will learn how to move from one level of God's authority to another. How to pray to get notable results. And many more **Kingdom Authority** Kynan Bridges, 2015-05-09 Even as a young boy, Kynan Bridges understood that he was not alone in this world. He sensed the presence of God, but when he rededicated his life to Jesus in 1996, he also encountered the dark side of the spiritual realm firsthand. For several months, he was tormented by nightmares, demonic attacks, and the spirit of fear. Little did he know that such demonic attacks on the mind and body were not unique to him. Many people in the church battle with the realm of darkness, yet they remain silent and therefore stuck in its throes with no knowledge of how to achieve victory. One night, feeling suffocated in his sleep, Kynan called on the only name he knew to call upon: the name of Jesus. Instantly, he was set free from the tyrannical grip of the devil. In that moment, he realized that he had authority over the enemy because the name of Jesus is more than a word used casually in Sunday school; it is the embodiment of the sovereign power of the kingdom of God. Kingdom Authority provides deep biblical insight into the authority that you possess as a child of God. You will discover how

to invoke God's Word and the name of Jesus to gain victory over the enemy and take dominion over the powers of darkness and their torments finding freedom from fear depression lust sickness poverty and bondage of all types The Power of the Kingdom Bill Fries, 2012-09 The Power of the Kingdom is a true story about a King His kingdom and how power is released to His citizens It reveals the incredible blessings bestowed by the King upon every one of His citizens and teaches them how to receive them God designed you to rule and reign in life in your health in your finances in your relationships If this has not been your experience it can be Jesus told us how in Matthew 6:33 Seek first the kingdom of God Teaching and preaching the message of the kingdom dominated the earthly ministry of Jesus When people heard this message and believed it miracles occurred The blind could see the deaf could hear and the dead were raised Author Bill Fries explains the difference between living in God's kingdom and living in a democracy He teaches you the operating protocol for living victoriously in the kingdom of God on earth and shows you how to receive God's promises *The Incredible Power of Kingdom Authority* Adrian Rogers, 1997 This guide was designed to be used in conjunction with Dr Rogers The incredible power of kingdom authority series Page 5 **Kingdom Authority** Ron McKenzie, 2014 Big authority shifts changed history Jesus announced the gospel of the Kingdom of God but his message is hard for us to understand because real kingdoms no longer exist Modern kings are just ceremonial figureheads trotted out for special occasions and the covers of women's magazines These rock star kings give a distorted view of the Kingdom of God because they are worshipped but they have no authority Real kings had absolute authority over every person and thing within their kingdom A king without authority was not a real king He is a pretender Authority is the heart of a kingdom If there is no authority there is no kingdom so to understand the Kingdom of God we must understand the nature of authority and how it interacts between heaven and on earth Most kings imposed their authority with military force God has a totally different approach He uses Free authority to accomplish his purposes on earth This book describes the difference between Imposed Authority and Free Authority and explains why this has constrained God's ability to work on earth Everything in this universe is shaped by authority In the beginning God said Let it be and it was He had authority over everything Two chapters later God said Let us give authority to humans Why on earth did he do that When Jesus was being tempted the devil said I have authority over all the kingdoms of the world How did that happen When Jesus preached the gospel the people recognised his authority Who gave him authority By the end of the gospel Jesus was saying All authority in heaven and on earth has been given to me How did that happen The Book of Revelation says that Jesus has authority to open the scrolls that release God's activity on earth How does that work Kingdom Authority describes the history of authority in both the spiritual and physical realms It explains the big authority shifts that have had massive impacts on earth Most theologies jump from the fall straight to the cross without much need for the stuff in between That is a mistake as if we ignore the events described in the Old Testament we will fail to understand everything God is doing and the big authority shifts that have constrained him If we do not know about authority we will not understand

why evil has been so active on earth God gave authority over the earth to humans The forces of evil have been active on earth because humans gave them authority while God did not have the authority he needed to deal with evil It took a special human do that and until he came the powers of evil had a ball Over the last fifty years Christians have rediscovered the power of the Holy Spirit Power is really important so we need the power of the Holy Spirit working in our lives However the Holy Spirit has not had a free hand to bring in the Kingdom of God He is often constrained by lack of authority If we want to experience the fullness of the Spirit and see him working to accomplish God s purposes on earth we must understand the working of authority That is why the New Testament speaks about authority as much as power Jesus has given us the keys of the kingdom He said that what we bind or release on earth will be bound or released in the spiritual realms Understanding the nature of authority transforms intercessory prayer Prayer is not pleading with God to do things that he is reluctant to do it is finding out what he wants to do and giving him authority to do it We have a marvellous gospel and the Holy Spirit is up to the job but the Kingdom of God has still not come in the fullness that Jesus promised The reason is authority Two big authority obstacles stand into its way This book explains how they will be removed so that God s Kingdom can come as Jesus promised

kingdom of God and the reality of on earth as it is in heaven now Scripture teaches us that Christ s kingdom is within us and all around us When Jesus showed His disciples how to pray He spoke directly to His Father Your kingdom come Your will be done on earth as it is in heaven Matt 6 9 God wants us to learn how to bring the reality of the kingdom of heaven right into our midst here on earth as Jesus did This radical and biblically sound teaching will ignite a roaring passion for Jesus in the hearts of believers for the glory of God Readers will discover how to access the realm of as it is in heaven in every earthly circumstance They will discover the gospel of power and the very dynamics of being a kingdom ambassador with the power and the authority to cast out devils heal the sick and raise the dead They will discover and learn how to access every spiritual inheritance that God has promised is ours but most of all Kingdom Invasion prepares us to passionately introduce the lost to Jesus in a way that deeply touches them It compels God s children to present the kingdom of God in power everywhere This is the appointed time the set time to take the kingdom of God into the streets and invite the poor the sick the blind and the captive to come to Jesus banqueting table Kingdom Invasion equips believers for this glorious task *The Kingdom the Power and the Hope of Glory* Eric M. Johnson, 2016-09-01 Today s move of God is not new theology but it is a fresh experience of the same theological truths that have existed for two thousand years Jesus warns against trying to fit what God is doing today into the exact same form of what He did in the past The Kingdom the Power and the Hope of Glory contends the average Christian has the responsibility and empowerment to reflect the light of God s glory to a world desperate for answers God does speak to us today within the confines of His inspired Word Scripture is the only absolute authority and the benchmark against which any leading of the Holy Spirit must be judged God s dealing with man changes over time but His character righteousness and truth never change Believers are called to occupy until He comes Several of Jesus parables illustrate the themes He taught regarding the activity of His church during His absence The Kingdom the Power and the Hope of Glory is not a theoretical book it is a practical call to action It encourages believers to see unity of the body as an essential piece to where the Holy Spirit wants to take His church What God wants to do now is not have a few great evangelists each reaching millions but rather millions of evangelists each reaching a few as they live their daily lives This book encourages believers to establish His kingdom on earth by using their delegated authority to access His power and bring Him glory It is a timely reminder that Christ in you is the hope of glory
