1905 George Randolph Chester A CALL 1906 Grace MacGowan Cooke HOW THE WIDOW WON THE DEACON 1911 William James Lampton GIDEON 1914 Wells Hastings **The Author-cat** Forrest Glen Robinson, 2007 Forrest G Robinson argues that a strong autobiographical impulse infuses the whole of Clemens's fiction. He shows how Clemens wrote out of an enduring need to come to terms with his remembered experiences not to memorialize the past but to transform it. Clemens's special curse was guilt. He was unable to forgive himself for the deaths of those closest to him especially members of his family from his siblings's death in childhood to the deaths of his own children. Nor could he reconcile himself to his role in the Civil War his ignominious part in the duel that prompted his departure from Virginia City in 1864 and worst of all his sense of moral complicity in the crimes of slavery. Tracing the theme of bad faith in all of Clemens's major writing but with special attention to the late work Robinson sheds new light on a tormented moral life directing attention to what William Dean Howells describes as the depths of a nature whose tragical seriousness broke in the laughter which the unwise took for the whole of him.

Mark Twain and the Critics, 1891-1910 Gary Scharnhorst, Leslie Diane Myrick, 2023-01-17 Over the last twenty years of his life Mark Twain was a controversial figure. He evolved from the clown prince of American literature into a biting social critic and political observer. While some pundits hailed him as a satirist equal to Cervantes and Jonathan Swift others excoriated him as a degenerate literary freak who wielded a scurrilous and venomous pen. This volume traces the evolution of Mark Twain's public image between 1891 and his death in 1910. It features hundreds of reviews and other critical notices in magazines and newspapers across the U.S. and other English speaking countries. The selected samples represent the full range of critical opinion whether favorable or hostile about his late writings. Sources reflect geographical differences in Twain's reputation such as the conflicted responses in the British colonies towards his anti imperialism and the pious disapproval in the American heartland of his attacks on foreign missions.

Overland Monthly Bret Harte, 1929
The Christian Advocate, 1901 **Overland Monthly and the Out West Magazine**, 1929 *The Best Short Stories of Mark Twain* Mark Twain, 2007-12-18 This unique collection of Twain's essential short stories and semiautobiographical narratives is a testament to the author's vast imagination. Featuring popular tales such as Jim Smiley and His Jumping Frog and The Man That Corrupted Hadleyburg as well as some delightful excerpts from The Diaries of Adam and Eve this compilation also includes darker works written in the author's twilight years. These selections illuminate the depth of Twain's artistry humor irony and narrative genius.

Christian Advocate and Journal and Zion's Herald, 1901 Mark Twain, Unsanctified Newspaper Reporter James Edward Caron, James E. Caron, 2008 Before Mark Twain became a national celebrity with his best selling *The Innocents Abroad* he was just another struggling writer perfecting his craft but already playin' hell with the world. In the first book in more than fifty years to examine the initial phase of Samuel Clemens's writing career James Caron draws on contemporary scholarship and his own careful readings to offer a fresh and comprehensive perspective on those early years and to challenge many long standing views of Mark Twain's place in the tradition of

American humor Tracing the arc of Clemens's career from self-described unsanctified newspaper reporter to national author between 1862 and 1867 Caron reexamines the early and largely neglected writings especially the travel letters from Hawaii and the letters chronicling Clemens's trip from California to New York City Caron connects those sets of letters with comic materials Clemens had already published drawing on all known items from this first phase of his career even the virtually forgotten pieces from the San Francisco Morning Call in 1864 to reveal how Mark Twain's humor was shaped by the sociocultural context and how it catered to his audience's sensibilities while unpredictably transgressing its standards Caron reveals how Sam Clemens's contemporaries notably Charles Webb provided important comic models and he shows how Clemens not only adjusted to but also challenged the guidelines of the newspapers and magazines for which he wrote evolving as a comic writer who transmuted personal circumstances into literary art Plumbing Mark Twain's cultural significance Caron draws on anthropological insights from Victor Turner and others to compare the performative aspects of Clemens's early work to the role of ritual clowns in traditional societies Brimming with fresh insights into such benchmarks as *Our Fellow Savages of the Sandwich Islands* and *Jim Smiley and His Jumping Frog* this book is a gracefully written work that reflects both patient research and considered judgment to chart the development of an iconic American talent Mark Twain *Unsanctified Newspaper Reporter* should be required reading for all serious scholars of his work as well as for anyone interested in the interplay between artistic creativity and the literary marketplace
