**Did Jesus Teach Salvation by Works?** Alan P. Stanley, 2006-09-20

Jesus teaches that regardless of one's profession if one does not demonstrate a changed life produced by God one will not enter into heaven. Such a judgment will be made when Jesus returns and judges every person according to his or her works. While this may seem contradictory to some more well known passages ruling out the role of works in salvation e.g. Rom 3:21-4:25 Gal 2:16-21 Eph 2:8-9 there is every good reason to understand that Jesus' teachings complement such passages. The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion. They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one's life.

**Systematic Theology, Volume 2, Second Edition** James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials. While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive. Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this. Pastors will especially find this feature to be a real help in teaching theology. It is an indispensable contribution to the task of systematic theology. Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world. The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material. The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one. The prodigious research that must have gone into the preparation of this volume is truly mind boggling. Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint. The work is well documented in both biblical and historical scholarship and will prove to be a classic. William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study. Robert H. Culpepper Southern Baptist Theological Seminary
