The Immortals:

The Immortals J.T. Ellison,2010-10-01 It is Samhain the Blood Harvest Nonbelievers call it Hallowe en The night when eight Nashville teenagers are found dead with occult symbols carved into their naked bodies It s a ritual the killers believe was blessed by Death himself When children are victimized emotions always run high and this case has the public both outraged and terrified a dangerous combination Recently reinstated homicide lieutenant Taylor Jackson knows she has to act quickly but tread carefully Exploring the baffling culture of mysticism and witchcraft Taylor is immersed in a darkness that threatens to unbalance the order of her world and learns how unchecked wrath can push a killer to his limits **The Immortals Project: Powerhouse** Jordan Boulware,2023-04-09 The Immortals Project Illegal Dishonest Goes against everything in Hero society and what it represents Yet it is the only hope for the future Witness the journey six young heroes will take to change the world and uncover all its secrets First up in the series Powerhouse Book 1 Junior year was supposed to be easy Pass the hero exam Check Put away some Villains Easy Deal with a lunatic bent on challenging everything she taught me Not so much **The Immortals** James Gunn,2014-12-02 James Gunn s masterpiece about a human fountain of youth collects the author s classic short stories that ran in elite science fiction magazines throughout the 1950s New material accompanies this updated edition including an introduction from renowned science fiction writer Greg Bear a preface from Gunn himself and Elixer Gunn s short story that introduced Dr Pearce to another Immortal What is the price for immortality For nomad Marshall Cartwright the price is knowing that he will never grow old That he will never contract a disease an infection or even a cold That because he will never die he must surrender the right to live For Dr Russell Pearce the price is eternal suspicion He appreciates what synthesizing the elixir vitae from the Immortal s genetic makeup could mean for humankind He also fears what will happen should Cartwright s miraculous blood fall into the wrong hands For the wealthy and powerful no price is too great Immortality is now a fact rather than a dream But the only way to achieve it is to own it exclusively And that means hunting down and caging the elusive Cartwright or one of his offspring **The Facts on File Companion to the British Short Story** Andrew Maunder,2007 A comprehensive reference to short fiction from Great Britain Ireland and the British Commonwealth With approximately 450 entries this A to Z guide explores the literary contributions of such writers as Joseph Conrad James Joyce D H Lawrence Rudyard Kipling Oscar Wilde Katherine Mansfield Martin Amis and others *The Tragedy of Ethalia* Kabiru Mohammed,2011-04 A love and yet tragic story that will quench you desire of affection either is love or hate A story that will allow you to understand the true meaning of love and hate Sometimes in life we experience the strength and power of love and courage and other times we experience the overpowering strength of hate This story is a kind that you ll devour in one sitting A fascinating and yet tragic play of the new age A young man whose heart was separated from his soul and his soul from his body learned to love again without having the scent of desire What is one to do when one visions the coming of a disaster that could take the living out of the only life they know **Collections of**

Middle Persian text known as Khusro and the Page one of the most famous kings of the ancient Iranian world Khusro I Anushirwan is called haft kiswar xawad y the King of the Seven Climes This title harkens back to at least the Achaemenid period when it was in fact used and even further back to a Zoroastrian Avestan world view From the earliest Iranian hymns those of the G th s of Zarathushtra through the Younger Avesta and later Pahlavi writings it is known that the ancient Iranians divided the world into seven climes or regions Indeed at some point there was even an aspiration that this world should be ruled by a single king Consequently the title of the King of the Seven Climes used by Khusro I in the sixth century CE suggests the most ambitious imperial vision that one would find in the literary tradition of the ancient Iranian world

Taking this as a point of departure the present book aims to be a survey of the dynasties and rulers who thought of going beyond their own surroundings to forge larger polities within the Iranian realm This volume was previously published by the Jordan Center for Persian Studies University of California Irvine *Ghost in the Pact (Ghost Exile #8)* Jonathan
