The Infinite Odyssey:

The Infinite Odyssey Jay Dingler, 2004-10 Lindy and her brother Randy were just ordinary young people all alone struggling through life until the day they saw a glimmering light deep from within the forest behind their home What they found took them away from their simple lives and stranded them in an amazing alien civilization Alone on a distant world they are taken in by a caring explorer and his crew and invited to join him on his bold adventure to search the universe in itself With no knowledge of this new world Lindy and Randy accept his offer and partake on an epic Journey that leads them upon an Infinite Odyssey to strange new planets exciting adventures and dangerous foes all in hope of returning to their Earth

Book jacket **Infinite Odyssey** , Everything Has a Beginning Except the Beginning of Everything J. R. Gibbs, Jr., 2009-12 **The Big Hurt** Erika Schickel, 2021-08-10 This complex memoir shows what it was like growing up in the shadow of a literary father and a neglectful mother getting thrown out of boarding school after being seduced by a teacher and all of the later life consequences that ensue In 1982 Erika Schickel was expelled from her East Coast prep school for sleeping with a teacher She was that girl rebellious precocious and macking for love Seduced caught and then whisked away in the night to avoid scandal Schickel s provocative searing and darkly funny memoir *The Big Hurt* explores the question How did that girl turn out Schickel came of age in the 1970s the progeny of two writers Richard Schickel the prominent film critic for *TIME* magazine and Julia Whedon a melancholy mid list novelist In the wake of her parents ugly divorce Erika was packed off to a bohemian boarding school in the Berkshires *The Big Hurt* tells two coming of age stories one of a lost girl in a predatory world and the other of that girl grown up who in reckoning with her past ends up recreating it with a notorious LA crime novelist blowing up her marriage and casting herself into the second exile of her life *The Big Hurt* looks at a legacy of shame handed down through a maternal bloodline and the cost of epigenetic trauma It shines a light on the haute culture of 1970s Manhattan that made girls grow up too fast It looks at the long shadow cast by great monstrously self absorbed literary lives and the ways in which women pin themselves like beautiful butterflies to the spreading board of male ego
