

A movie poster for the film 'Inside Man'. The top half features large, close-up portraits of Denzel Washington and Clémence Poésy. Denzel is on the right, looking off to the side, and Clémence is on the left, looking towards him. The title 'INSIDE MAN' is centered in a bold, white, distressed font. The bottom half shows a scene from the movie: a man in a light blue polo shirt (Samuel L. Jackson) stands in the foreground, holding a handgun. In the background, a man in a red shirt is working on the open trunk of a dark car on a city street at night. The Empire State Building is visible in the distance under a cloudy sky.

insideMAN Dan Bell, Glen Poole, 2015-09-28 A year ago award winning journalist Dan Bell and leading expert on men's issues Glen Poole set up insideMAN an online magazine dedicated to pioneering a new kind of conversation about men and boys The magazine was inspired by the fact that in the many years both had spent thinking writing and talking about men's issues the mainstream cultural conversation about gender had pretty much stuck to a single simplistic and inaccurate narrative Women have problems Men are problems But the truth is far less black and white From educational underachievement and fatherlessness to homelessness and suicide there are many grave inequalities that hit men and boys hardest Dan and Glen realised that if we're serious about improving the lives of men and boys first we have to change the conversation we have about them This book is a step in that direction insideMAN combines powerful first person stories from everyday men on the street with insightful writing from some of the highest profile journalists currently addressing men's issues in the UK including Martin Daubney of Telegraph Men and former editor of Loaded Guardian regular Ally Fogg Tim Samuels from BBC Men's Hour Neil Lyndon author of Sexual Impolitics and the seminal No More Sex War and the man who coined the term metrosexual himself the brilliant Mark Simpson The book encompasses everything from a poignant insight into a father's experience of miscarriage to an irreverent celebration of male objectification as well as fascinating explorations of subjects most of us simply take for granted for example why do men wear trousers anyway The book also includes practical advice from leading advocates on the best ways to raise awareness of the issues faced by men and boys If you're interested in the issues and experiences that affect half of the population this book is for you **Inside Man** Tracy
