Research Handbook on Legal Pluralism and EU Law Gareth Davies, Matej Avbelj, The Research Handbook on Legal Pluralism and EU Law explores the diversity of phenomenon of overlapping legal systems within the European Union the nature of their interactions and how they deal with the difficult question of the legal hierarchy between them The contributors reflect on the history sociology and legal scholarship on constitutional and legal pluralism and develop this further in the light of the challenges currently facing the EU **A Comparative Study of Representative Systems** Yezhong Zhou, 2024-03-27 This book demonstrates the social and historical conditions for the existence and development of the representative system and uncovers the laws dictating its occurrence development and operation Due to the barriers of language and cultural communication the understanding of democracy differs in western and Chinese cultures which leads to many misinterpretations and even bias The book displays the merits and drawbacks of different forms of democracy on the basis of a comparative study of the different representative systems and argues that different representative systems can co exist side by side and that the selection of the appropriate form of democracy must reflect the actual conditions in a given country Therefore a blind evaluation or criticism is unreliable The book could provide good opportunities for western

scholars to see how the Chinese scholars understand democracy and the representative system help the westerners to understand the forms of democracy with Chinese characteristics and rationality of the socialist people's representative system grasp the true essence of Chinese Constitution and democracy and give up their bias towards China for a better communication and mutual understanding This book constructs a theoretical framework for studying the representative system and provides a solid foundation for its further research promoting the improvement and development of constitutional jurisprudence Even today the comparative study of the basic theories system building and operation of the representative system are of great theoretical significance and practical value in the Chinese political development and reform The book is primarily intended for graduates and scholars in the areas of constitutional jurisprudence on China and abroad It is a must read for constitutional researchers and those who want to know the essential differences between Chinese and Western constitutional jurisprudence Books Out-of-print ,1980

Semi-Presidentialism in the Caucasus and Central Asia

Robert Elgie, Sophia Moestrup, 2016-05-14 This edited collection examines the politics of semi presidential countries in the Caucasus and Central Asia Semi presidentialism is the situation where there is both a directly elected fixed term president and a prime minister and cabinet that are collectively responsible for the legislature There are four countries with a semi presidential constitution in this region Armenia Azerbaijan Georgia and Kyrgyzstan The authors introduce the concept of semi presidentialism place the countries in a general post Soviet context and compare them with Kazakhstan They investigate the relationship between semi presidentialism in the formal constitution and the verticality of power in reality explore the extent to which semi presidentialism has been responsible for the relative performance of democracy in each country and chart the relationship within the executive both between the president prime minister and ministers and between the executive and the legislature

International Media Research John R. Corner, Philip Schlesinger, Professor Philip R Schlesinger, Roger Silverstone, 2004-01-14 International Media Research offers a rigorous and critical review of key approaches and concerns that have recently defined the field of media research In this clearly argued collection of essays the contributors analyze and reflect upon dominant themes and debates that have made media research an increasingly important element of cultural theory The volume begins with a critical evaluation of the work of the leading media scholar Elihu Katz and continues with an exploration of the relationship between media studies and adjacent disciplines cultural studies and gender and sexuality Contributors drawn from Britain America Canada and Belgium consider the relationships between media research and media policy in different national and international contexts Focusing on the European Union East Central Europe North America and Latin America chapters assess the impact of social economic and political circumstances on policy debates and the shaping of the research agenda The final chapter adopts a transatlantic perspective in tracing and analysing the history of the media's role in reporting war

Consociational Power-Sharing in Northern Ireland Timofey Agarin, Rupert Taylor, 2025-09-12 Consociational Power Sharing in Northern Ireland from leading scholars

in the field explores the evolution and challenges of consociational power sharing in Northern Ireland for politics and societal relations Contributors to this book highlight that scholarship on consociational democracy anticipates political stability and continuous integration in post conflict societies However over 25 years on from the Good Friday Agreement concerns remain about the adequacy of consociational power sharing to ensure a fully functional form of government capable of providing stability and of addressing deeper political and social issues While violence is absent ethno national identities remain in a state of a fragile equilibrium and aspirations for significant progress on key issues like truth justice mutual respect and socio political inclusion have not been met The reasons as to why this is so and what can be done to rectify it are central to the arguments that animate this timely book Consociational Power Sharing in Northern Ireland will be of great interest to students and scholars in political science law and constitutionalism nationalism and ethnicity and those interested in related topics in sociology and criminology It will also appeal to practitioner communities related to power sharing political representation and constitutional politics
