Stephen King Uncollected Unpublished:

Stephen King Rocky Wood, Stephen King, 2012-02 There are a multitude of interesting updates in the revised edition of the classic book about King's hidden work. Included in the new information is a series of newly discovered unpublished works with King's exclusive and definitive statements about how they originated and why they never saw the light of day.

Stephen King Rocky Wood, David Rawsthorne, Norma Blackburn, 2005-12-01 **STEPHEN KING UNCOLLECTED UNPUBLISHED** will be the most comprehensive review of the Stephen King works you've never read including coverage of nearly one hundred unpublished and uncollected works of fiction: novels, short stories, screenplays, and poems. Best of all, it will feature the first book publication of two lost works written by King, including an entire chapter from King's unpublished 1970 novel *SWORD IN THE DARKNESS* that has never been published anywhere in the world. **STEPHEN KING UNCOLLECTED UNPUBLISHED** will also give in-depth coverage to the nearly one hundred variations and versions of King's published stories, edits, updates, and changes King made between reprintings of his work. This is a must-have for both collectors and casual readers of Stephen King. Details about the two works written by Stephen King that are printed in this book: The first and only publication of a very long chapter from King's unpublished 1970 novel *SWORD IN THE DARKNESS*, one of the lost Stephen King novels that only a handful of people in the world have ever read. This novel will never be published, and this is your only chance to catch a glimpse of a young Stephen King developing his craft. The raw power that would eventually make him the bestselling horror author in the world is definitely evident in this very long excerpt. The first book publication of the obscure King poem *Dino*, previously only published in a small literary magazine and just recently discovered at the E. S. Bird Library of Syracuse University in New York. In addition, the authors have discovered and taken detailed notes about a work previously unknown by the King community: *Molly*, which was King's original screenplay submitted for *The X-Files*. It is a completely different story from what was later produced for the series as *Chinga*, and the authors give in-depth coverage to the differences. Here are some other examples of what you'll find in **STEPHEN KING UNCOLLECTED UNPUBLISHED**: Over one hundred entries detailing all of King's uncollected and unpublished works, many of which have never been available for public discussion. In-depth descriptions and discussions of several unpublished King novels, such as *Blaze*, and incomplete novels such as *George D. X. McArdle*. Detailed overviews of dozens of King screenplays that were never produced, including his own adaptations of *Cujo*, *Children of the Corn*, *The Dead Zone*, *Desperation*, *Dolan's Cadillac*, *Night Shift*, *The Stand*, and his adaptations of other classic novels such as *Something Wicked This Way Comes*. Essays covering two dozen of King's lost and hidden works that are not available anywhere in the world, such as *An Evening at God's* and the infamous *Squad D*. Details of eight new and previously unheard-of King stories discovered in the Stephen King papers at the University of Maine. Details of two King stories published in his high school newspaper and other stories King wrote as a child and teenager. A complete Stephen King bibliography covering nearly four hundred works of fiction and non-fiction. Instructions on finding the original
