*Steven Truscott and the Murder of 12-Year Old Lynne Harper* Sam Dennis McDonough, 2014-02-22 Reason for Reading

This book presents all the facts from both sides about Canada's most infamous crime. Reach your own conclusion by being objective and thinking critically.

**Synopsis** On a cold September day in 1959 a 14 year old Canadian schoolboy in just his first encounter with the police and in a crime of passion was sentenced by a jury to hang for the murder of his 12 year old friend.

**Why I wrote this book** My greatest passion is to search for the truth in real crimes.

**Why you should read this book** This is probably the only book you will find in all of America's media about Steven Truscott and the Murder of 12 year old Lynne Harper that is completely objective.

**Why you may avoid this book** There is an unconscious desire on the part of many to find greater meaning in the life and trials of Steven Truscott than is possible based upon the historical case. And so for them there will always be an innocent Truscott. It simply has to be no matter what.

Real Justice: Fourteen and Sentenced to Death Bill Swan, 2012-03-14 At fourteen Steve Truscott was a typical teenager in rural Ontario in the fifties mainly concerned about going fishing playing football and racing bikes with his friends. One summer evening his twelve year old classmate Lynne Harper asked for a lift to the nearby highway on his bicycle and Steve agreed. Unfortunately that made Steve the last person known to see Lynne alive. His world collapsed around him when he was arrested and then convicted of killing Lynne Harper. The penalty at the time was death by hanging. Although the sentence was changed to life in prison Steve suffered for years behind bars for a murder he didn't commit. When his case gained national attention the Supreme Court of Canada reviewed the evidence and confirmed his conviction. It took over forty years and a determination to prove his innocence for him to finally clear his name. He has since received an apology and compensation for his ordeal. In this book young readers will discover how an innocent boy was presumed guilty by the justice system and how in the end that same justice system prodded by Truscott and his lawyers was able to acknowledge the terrible wrong done to him.
