Temple Of Love:

Temple of Love Natalie Glebova, 2025-04-29 The secret to true love is closer than you think *The Temple of Love* Barbara Cartland, 2019-02-14 Desperate to avoid being trapped into marriage by the lovely but scheming Lady Charlotte Denington the handsome young Duke of Ingleby is relieved to be sent on a special secret mission for the Viceroy of India Lord Curzon He is to find and if he is in time to save an ancient Buddhist Temple on the island of Java from desecration and looting by the Dutch who are the Rulers of the country at the time Travelling incognito and posing as an English tourist keen to photograph the delightful scenery of Java the Duke unexpectedly meets a beautiful and ethereal young woman called Sarida at the Temple's portal Although clearly English Sarida bears this Javanese name and is attuned to Javanese culture Indeed she believes fervently in the Buddha The Duke is entranced and then enthralled when he discovers that he and she bear an uncanny resemblance to the sculpted portrayals of a Javanese King and Princess in the depths of the Temple It is as if they have been together and loved each other in another life Even without speaking they both understand that this is what the Buddhists have always called The Wheel of Rebirth And as together they face terrible danger it is immediately obvious that the attraction between them is too powerful to resist It is all an essential part of the Divine power of the Temple of Love

The Temple of Love. A Vision. [In Verse] ... Second Edition LOCK, 1717 **The Temple of Love. A Vision** Mr. Lock, 1717 **The Tithing Dilemma and the Triumphs of Love** Leonard C. Bupanda, 2011-11-04 This book provides enough food for thought for those who want to find out more or even raise some objections to Leonard's assertions and arguments On the whole it is a heart searching and thought provoking book **A Rhapsody of Love and Spirituality** David J. Fekete, 2003 Love between a man and a woman is it sacred or sinful A Rhapsody of Love and Spirituality explores Platonic eros Christian mysticism friendship religious ritual and love as people experience it turning up startling ironies and paradoxes and along the way some traditions we may find worth reclaiming **The Logic of Love in the Canterbury Tales** Manish Sharma, 2022-04-27 The Logic of Love in The Canterbury Tales argues that Geoffrey Chaucer's magnum opus draws inventively on the resources of late medieval logic to conceive of love as an insoluble Philosophers of the fourteenth century expended great effort to solve insolubilia like the notorious Liar paradox in order to decide upon their truth or falsity For Chaucer however and in keeping with Christ's admonition from the Sermon on the Mount the lover does not judge does not decide on the beloved Through a series of detailed and rigorously non judgmental readings Manish Sharma provides new insight into each of the prologues and tales and intervenes into scholarly debates about their collective import In so doing The Logic of Love in The Canterbury Tales deploys Chaucer's understanding of charity to consider the limitations of modern critical approaches to The Canterbury Tales including deconstruction psychoanalysis and gender theory In the course of the analysis Sharma shows not only how love and medieval philosophy together inform Chaucerian composition but also how Chaucer could serve as a resource for contemporary theoretical reflections on love and ethics **Doctor of Love** Lydia

S. Lewis,2013-11-07 A classic study of the allegorical power of love in literature traced through the medieval and Renaissance periods **The Memory of Love** John Stratton Hawley,2009-04-07 No Hindu god is closer to the soul of poetry than Krishna and in North India no poet ever sang of Krishna more famously than S rdD as or S r for short He lived in the sixteenth century and became so influential that for centuries afterward aspiring Krishna poets signed their compositions orally with his name This book takes us back to the source offering a selection of S rd as's poems that were known and sung in the sixteenth century itself Here we have poems of war poems to the great rivers poems of wit and rage poems where the poet spills out his disappointments Most of all though we have the memory of love poems that adopt the voices of the women of Krishna's natal Braj country and evoke the power of being pulled into his irresistible orbit Following the lead of several old manuscripts Jack Hawley arranges these poems in such a way that they tell us Krishna's life story from birth to full maturity These lyrics from S r's Ocean the S rs agar were composed in the very tongue Hindus believe Krishna

himself must have spoken Brajbh as a the language of Braj a variety of Hindi Hawley prepares the way for his verse translations with an introduction that explains what we know of S rd as and describes the basic structure of his poems For readers new to Krishna s world or to the subtleties of a poet like S rd as Hawley also provides a substantial set of analytical notes S r is the sun as a familiar saying has it and we feel the warmth of his light in these pages *The Book of Love* Paolo Mantegazza,2024-01-11 *The Allegory of Love in the Early Renaissance* James Calum O'Neill,2023-07-31 Described as the most beautiful book ever printed previous research has focused on the printing history of the Hypnerotomachia and its copious literary sources This monograph critically engages with the narrative of the Hypnerotomachia and with Poliphilo as a character within this narrative placing it within its European literary context Using narratological analysis it examines the journey of Poliphilo and the series of symbolic allegorical and metaphorical experiences narrated by him that are indicative of his metamorphosing interiority It analyses the relationship between Poliphilo and his external surroundings in sequences of the narrative pertaining to thresholds the symbolic architectural topographical and garden forms and spaces and Poliphilo s transforming interior passions including his love of antiquarianism language and Polia the latter of which leads to his elegiac description of lovesickness besides examinations of numerosophical symbolism in number form and proportion of the architectural descriptions and how they relate to the narrative *The Empire of Love* Yum Razams,2002-01-23 In a simple and compelling writing the author recreates life in Ancient Egypt when the empire was at its peak The plot interweaves the Temple s way of life with betrayals power struggles true love good humor and the wisdom of the Masters Over the centuries humanity has missed the true spirit of the Egyptian auto deism concepts until the present time when our perception has grown to a new level of understanding Now in a fantastic journey the author offers a view of Ancient Egypt a melange of traditions overlaid with legend folklore religious ceremony and natural beauty to meet the emerging need of the present Age of Aquarius Through the pages of *The Empire of Love* the reader will be confronted with different levels of being and parallel realities experiencing a new dimension foreign to time and space The plot takes place during the social revolution of the 60 s when Karl the main character feels outcast among his own society and searching for an answer to his growing longing he leaves New York City in search of that truth that he knew was out there After long hours of a lonely driving through the interstate highways he reaches Arizona and overcome by exhaustion he decides to stop and rest for a while Sitting on a high cliff close to the road Karl falls asleep and without any warning he awakes on the high summit of the Amenti in ancient Egypt 3 000 years back in time Karl meets several characters that help to create a gradual awakening that adds more confusion to his perception of reality A dual feeling of happiness and fear takes place with each incident that evokes subconscious memories that he could not identify Everything becomes familiar and foreign at the same time The dialogues in the first part of the novel are filled with intense emotion and the teachings of the temple Karl begins to forget the nostalgic feelings for his American way of life his beloved XX century fades in his memory and he becomes immersed in the new experience imposed

on him by destiny With the help of the temple s masters Karl is induced into a deep hypnotic trance and he relives a previous incarnation in ancient Egypt as Aum a young temple initiate During this incarnation Aum Karl becomes a master at the temple of Heliopolis The successive events will bring Karl to a full awakening when different aspects of the Egyptian philosophy are incorporated into the drama to conclude with the self awareness and realization of his mission among men

A History of Love and Hate in 21 Statues Peter Hughes,2021-09-14 From antiquity to the present day this book offers a fascinating insight into the histories movements and conflicts which have come to shape our world viewed through the stories of the destruction of 21 statues Confederate soldiers hacked to pieces A British slave trader dumped in the river An Aboriginal warrior twice beheaded A Chinese philosopher consumed by fire A Greek goddess left to rot in the desert Statues stand as markers of collective memory connecting us to a shared sense of belonging When societies fracture into warring tribes we convince ourselves that the past is irredeemably evil So we tear down our statues But what begins with the destruction of statues ends with the killing of people This remarkable book is a compelling history of love and hate spanning every continent religion and era told through the destruction of 21 statues Peter Hughes original approach blending philosophy psychology and history explores how these symbols of our identity give us more than an understanding of our past In the wars that rage around them they may also hold the key to our future The 21 statues are Hatshepsut Ancient Egypt Nero Suffolk UK Athena Syria Buddhas of Bamiyan Afghanistan Hecate Constantinople Our Lady of Caversham near Reading UK Huitzilopochtli Mexico Confucius China Louis XV France Mendelssohn Germany The Confederate Monument US Sir John A Macdonald Canada Christopher Columbus Venezuela Edward Colston Bristol UK Cecil Rhodes South Africa George Washington US Stalin Hungary Yagan Australia Saddam Hussein Iraq B R Ambedkar India and Frederick Douglass US A History of Love and Hate in 21 Statues is a profound and necessary meditation on identity which resonates powerfully today as statues tumble around the world Whatever Became of Love?
