Andrea Fraser Andrea Fraser, Rhea Anastas, Alejandro Cesarco, 2019 This publication is a substantial archive and a singular point of entry into thinking with and understanding Andrea Fraser's work and reception The interview format provides intimate insight into Fraser's self positioning as a central aspect of her practice By presenting the artist's voice as mediated through interlocutors ranging from professional peers to popular media Collected Interviews 1990 2018 uniquely contextualizes Fraser's practice in the artistic institutional and discursive fields in which she intervenes As Fraser is engaged challenged and understood from diverse perspectives readers learn as much about her artistic commitments from the artist's humor and affect as from her incisive analyses The collection spans three decades from the early 1990s to the present and is organized chronologically with minimal editing The collection's unmediated format allows Fraser's key ideas and themes to attain deeper resonance through repetitions and subtle differentiations over multiple conversations Christian Marclay
