Dickinson Sweetser, 2014-05-18 Sunlight glinting between huge forest trees and blue skies over arching the Indian village of Werewocomoco on the York River in Virginia where Powhatan the mighty Werowance or ruler over thirty tribes was living Through Orapakes and Pamunkey and other forest settlements a long line of fierce warriors were marching Indian file on their way to Werewocomoco leading a captive white man to Powhatan for inspection and for sentence As the warriors passed into the Indian village they encountered crowds of dusky braves and tattooed squaws hurrying along the wood trails and when they halted at the central clearing of the village the crowd closed in around them to get a better view of the captive At the same time there rose a wild clamor from the rear of the throng as a merry group of shrieking shouting girls and boys darted forward jostling their way through the crowd Their leader was a slender straight young girl with laughing eyes such as are seldom seen among Indians and hair as black as a crow s wing blown about her cheeks in wild disorder while her manner was that of a happy hearty forest maiden This was Matoaka daughter of the Werowance Powhatan and although he had many subjects as well as twenty sons and eleven daughters not one was ruled so despotically as was he himself by this slender girl with laughing eyes for whom his pet name was Pocahontas or in free translation little romp **Ten Girls from Dickens** Kate Dickinson Sweetser, 2019-12-16 In her captivating work Ten Girls from Dickens Kate Dickinson Sweetser skillfully explores the lives of ten memorable female characters created by Charles Dickens Written in a vivid accessible style this collection seamlessly intertwines biographical sketches with critical commentary allowing readers to engage deeply with

the social and moral complexities of Dickens's narratives. Each chapter illuminates the distinctive traits and growth of these young women reflecting both the constraints of their Victorian society and their evolving identities thereby situating the text within the broader context of 19th century literature and feminist discourse.
