From Genesis to Revelation God Takes a Bride Susan A. Cyre,2019-06-02 This book examines the whole of Scripture as the unfolding marriage covenant between God and his people The book demonstrates that God s marriage to his people is the central theme of the Bible Eighteenth century Reformed pastor Jonathan Edwards captured that perspective when he observed The creation of the world seems to have been especially for this end that the eternal Son of God might obtain a spouse to whom he might pour forth all that immense fountain of love and grace that was in his heart and that in this way God might be glorified This book traces the divine marriage from God s promises to Abraham to the betrothal covenant that includes the Ten Commandments to Israel s breaking of the covenant as described by the prophets to the new covenant in Christ and finally to the consummation of the divine marriage covenant in Revelation at the wedding of the Lamb God instituted the marriage of a man and a woman in Genesis 2 to be an image of God s divine marriage with his people Therefore it is not a coincidence that both the Gospel and marriage are under attack in our culture Human marriage cannot be rightly understood apart from the Gospel and the Gospel cannot be fully understood apart from marriage This book enables Christians whether single or married to appreciate in a much fuller way the depth and nature of God s love for his bride Seeing how the divine marriage defines and shapes human marriage also presents a clearer understanding of the spiritual importance of human marriage inspiring Christians to pursue marriages that more faithfully reflect God s design This book proclaims Scripture s message of God s unrelenting irrevocable love for his bride and invites the church to respond Susan A Cyre MDiv helped found Presbyterians for Faith Family and Ministry in 1995 and served as its executive director until 2014 She edited its bimonthly publication Theology Matters She has authored numerous articles dealing with biblical

truth and its intersection with cultural norms She and her husband live in Virginia **Excuses... Excuses** Joe Currier, 2013-04 A Book that Explores a Life Changing Question Do you ever feel that you are your own worst enemy when it comes to changing your life for the better Why do you put off until tomorrow what you know you should do today Why are New Year s Resolutions yesterday s good intentions Let Dr Currier guide you toward a life that is everything you want it to be In **Excuses EXCUSES** Dr Currier introduces a no excuses approach to better health work performance and personal happiness by asking a frank and heart felt question If you re so damn smart why aren t you healthier and more effective This book examines the ten most common excuses we use to stand in our own way and offers insights and solutions to self defeating dilemmas most individuals face No more Excuses **EXCUSES The Younger (Thinner) You Diet** Eric R. Braverman, 2009-12-22 New research in nutrition and weight loss has revealed an amazing discovery the brain virtually neglected in all other diet plans is the most important organ in dieting Dieters can actually lose weight by eating foods nutrients teas and spices that change the chemical balance of the brain for permanent weight loss a major factor contributing to how quickly the body ages In fact everyone can take years off their age by changing their brain chemistry In **Younger Thinner You Diet** Dr Eric Braverman expands upon concepts introduced in **Younger You** to present a totally new approach to lifelong weight management where the key is not found in counting carbs fat grams or calories Obesity is a brain chemical imbalance an addictive disorder treated successfully only through the combined approach of diet nutrients and hormones One of the foremost experts in integrative medicine known for his work on the brain body connection Dr Braverman teaches readers which foods naturally boost the body s production of dopamine the chemical in the brain that tells the body to start its fat burning engine how to choose foods supplements teas and spices even hormones and medicine to avoid the effects of other aging organs that can destroy one s metabolism how to personalize the diet for specific health concerns such as heart problems aging skin weak muscles and achy joints Eliminating the frustration and deprivation of conventional dieting **Younger Thinner You Diet** will help anyone turn back the clock to a slimmer healthier younger you **Diabetes For Dummies** Alan L.
