## **Ten Prime Ministers:**

**The Prime Ministers of Britain, 1721-1921** Clive Bigham Mersey (2d Viscount.),1922      **Prime Ministers in Europe** Ferdinand Müller-Rommel,Michelangelo Vercesi,Jan Berz,2022-06-24 This book examines the changes in the career experiences and profiles of 350 European prime ministers in 26 European democracies from 1945 to 2020 It builds on a theoretical framework which claims that the decline of party government along with the increase of populism technocracy and the presidentialization of politics have influenced the careers of prime ministers over the past 70 years The findings show that prime ministers career experiences became less political and more technical Moreover their career profiles shifted from a traditional type of party agent to a new type of party principal These changes affected the recruitment of executive elites and their political representation in European democracies albeit with different intensity and speed      The Prime Ministers of Britain, 1721-1921 Charles Clive Bigham Mersey (Viscount),1929      **British Prime Ministers and Democracy** Roland Quinault,2011-03-17 Today representative democracy is the dominant political system in the world Britain played a prominent part in the democratization of the world through both its constitutional reforms at home and its power and influence abroad In that process Prime Ministers played a prominent role through their power and influence in government Parliament and the country more generally Quinault examines the stance of ten leading Prime Ministers from the mid nineteenth century until the twenty first century on the theory and practice of democracy The attitude of each Prime Minister is assessed by considering their general views on democracy and their use of that term and concept in their discourse and thereby their role in advancing or resisting democratic political change Particular attention is paid to their role in electoral reform together with their stance on the composition and powers of the House of Lords and the role of the monarchy in the governing process Their attitudes to the democratic aspects of some major international issues are also considered      **Former Leaders in Modern Democracies** K. Theakston,J. de Vries,Jouke de Vries,2012-04-05 What comes next for a former leader in a democracy a Prime Minister or President obliged to leave office because they have lost an election come to the end of their constitutionally fixed term lost the backing of their party or chosen to leave This book analyses the role and political influence of former leaders in Western democratic states      *The Golden Age of the U.S.-China-Japan Triangle, 1972-1989* Ezra F. Vogel,Ming Yuan,Akihiko Tanaka,2020-03-23 A collaborative effort by scholars from the United States China and Japan this volume focuses on the period 1972 1989 during which all three countries brought together by a shared geopolitical strategy established mutual relations with one another despite differences in their histories values and perceptions of their own national interest Although each initially conceived of its political and security relations with the others in bilateral terms the three in fact came to form an economic and political triangle during the 1970s and 1980s But this triangle is a strange one whose dynamics are constantly changing Its corners the three countries and its sides the three bilateral relationships are unequal while its overall nature the capacity of the three to work together has

varied considerably as the economic and strategic positions of the three have changed and post Cold War tensions and uncertainties have emerged      **The Review of Reviews** William Thomas Stead,1928      **Normalizing Japan** Andrew Oros,2009-07-23 Normalizing Japan discusses the future direction Japan s military policies are likely to take by considering how policy has evolved since the Second World War and what factors shaped this evolution      *Cabinets in Western Europe* Jean Blondel,Ferdinand Muller-Rommel,1988-11-25 A presentation of the structure and workings of the national cabinets in Western European countries today based on a common framework which enables the reader to compare their origins structure composition and activities Emphasis is placed on the leadership and on the character of coalitions      **The Living Age** ,1895      **The Internationalization of the Japanese Economy** Chikara Higashi,Peter G. Lauter,2012-12-06 In the first 1987 edition of this book Dr Higashi and Dr Lauter have discussed and analyzed the initial stages of the internationalization process The authors with Michio Watanabe at a reception in Hakone Japan 1988 xvi THE INTERNATIONALIZATION OF THE JAPANESE ECONOMY of the Japanese economy as it had evolved between 1985 and 1986 In this the second edition they explore the developments during 1985 1988 and show how the gradual transformation of the economy from export led to domestic demand led growth has taken place what the results of the transformation process are what remaining problems still have to be resolved and what directions the Japanese economy might take in the future While the transformation process is by no means completed Drs Higashi and Lauter provide a broad policy analysis based overview that enables the reader to understand not only the economic but also the basic political and social issues involved in the internationalization process In this sense the authors stay away from the extreme positions that characterize so many of the publications on Japan today and attempt to provide a realistic view of the changes and the impact of these changes I believe that this book is a fair and balanced representation of events      *Ben-Gurion Against the Knesset* Giora Goldberg,2004-02-19 The power struggle between Ben Gurion and the Knesset was not primarily concerned with who should hold the reins of power but with the ideals that should lie behind government Ben Gurion did not think that the Knesset had the moral backbone required at a historic turning point in Israeli history when the character of the nation was being developed although he conceded that it was capable of dealing with the more mundane administrative tasks He therefore denied the Knesset the right to take part in the policy making process caused a decline in the support of the elite and the general public encouraged partisanship and endeavored to reduce competitiveness Ben Gurion was so dismissive of the Knesset and its members that he would not even attend parties at which Knesset members were being given awards

**Genius and Eminence** Robert S. Albert,1992 A fascinating introduction to the research into and theories of exceptional achievement Topics covered include the arguments around personal dynamics and biological processes the IQ issue and how family and learning experiences are related to achievement      *Britain, the Six-day War and Its Aftermath* Frank Brenchley,2005-02-25 Britain s reputation in the Middle East had been reduced to shreds by the fiasco of the Suez War in

1956 but by 1967 as a result of quiet diplomacy and long standing contact with the region recovery seemed possible But all seemed shattered by the Six Day War and especially by the Big Lie alleging that Britain and the USA colluded with Israel in the war and were thus vital in defeating the Arab side Britain the Six Day War and its Aftermath is a cool detailed and detached account by a top mandarin at the heart of British policy who refutes the allegations and shows Britain as pursuing an even handed policy while promoting long standing British diplomatic and vitally for Britain s flagging economy and global position economic interests      Queen Elizabeth II For Dummies Stewart Ross,2022-04-19 The longest reigning monarch in European history If the news about Harry William Kate Meghan and the rest of the British royals has you wondering about how this latest generation of princes princesses dukes and duchesses got their start you re not alone Queen Elizabeth II For Dummies takes you on a fascinating journey through the life of Great Britain s longest serving monarch You ll find revealing stories about Queen Elizabeth II s family background her childhood early ascension to the throne and her role during times of national crisis and triumph The book combines must know facts about the monarchy with details of the remarkable woman who has held the crown for over 68 years and counting You ll also read about Where shows like The Crown stay true to life and where they take artistic liberties with historical fact Queen Elizabeth II s relationship with Prince Charles the late Prince Phillip Princess Diana and the thousands of famous figures she has encountered during her reign The subtle and at times controversial role of a hereditary Head of State in a democracy Perfect for anyone with an interest in the monarchy British governance power and society leadership or the resurgence of the British monarchy in popular culture Queen Elizabeth II For Dummies is a cracking read full of trivia secrets and history that puts one of the most central figures of the 20th and 21st centuries in the palm of your hand      *Ladybird Histories: Victorians* ,2020-12-01 This history title from Ladybird is the ideal homework help book for primary school children who are learning about the Victorians at school Packed with everything a child needs to know about Victorian life and times it is perfect for all school project work with a timeline glossary and index for easy reference Fully illustrated and full of interesting bite size facts Ladybird Histories Victorians features information about what people wore what jobs they did how they lived children s lives and notable people of the period including Queen Victoria Charles Dickens Isambard Kingdom Brunel and key social reformers      **Japan** Frank Baldwin,Anne Allison,2015-12-15 A joint publication of the Social Science Research Council and New York University Press      The Saturday Evening Post ,1929 SCC Library has 1974 89 plus scattered issues      **Ten Prime Ministers** Wallace Brown,2002 A captivating inside account of the strengths weaknesses and personalities of Australia s last ten prime ministers from Menzies to Howard Untold stories of the travels conversations and experiences of ten people who have shaped our country over the last 40 years      **Comparing Cabinets** Patrick Moray Weller,Dennis Grube,R. A. W. Rhodes,2021 Why is cabinet government so resilient Why does it continue to be the vehicle for governing across most parliamentary systems Comparing Cabinets examines the structure and performance of cabinet government in five democracies with a particular focus on the

influence of differing traditions beliefs and practices to address these questions
