Ten Steps to American Greatness Steve Riczo, 2003-12 America is a great nation in so many ways we enjoy unparalleled freedoms a robust economy characterized by hard work and entrepreneurship a justice system which permits citizens to be judged by a jury of their peers the greatest healthcare system in the world and much more Considering what we have in America what can possibly be wrong To start with 9 11 sent a message to Americans that we need to pay closer attention to what is going on around the world As citizens we also need to monitor U S policies abroad and how they influence other people with whom we share the planet America s decline in popularity even among our allies deserves close scrutiny and warrants introspection For all of our wealth to many of America s citizens this feels like a nation of haves and have nots Many middle income Americans have seen their incomes stagnate relative to dramatically accelerating incomes of the wealthy Our inner cities are plagued with drugs violence children growing up without fathers and decaying public schools Even in the suburbs many teens face problems which for some seem so overwhelming that suicide seems the only way out Many Americans are disenchanted with the political process in which our politicians all too often fail to have the strength of their convictions and waste the tax dollars of hard working Americans In spite of our great healthcare system an astonishing number of Americans are overweight smoke cigarettes are alcoholics or drug addicts and don t exercise Ten Steps to American Greatness outlines a specific agenda for America and will arm the average reader with enough knowledge to be an effective citizen and the envy of your peers when discussing the major issues of our time AMERICAN GREATNESS John Peter Dunnell, Ed.D., 2008-10-27 BOOK SUMMARY OF AMERICAN GREATNESS The theme of this book is a concise history of our country from Columbus to Reagan The purpose is to show what made America great The many people who were at the right place at the right time preserved the spirit that made the United States not only free but unknowingly helped it become a great nation What they said and accomplished should be preserved for all future generation to know and appreciate It has been chronicled in numerous ways but bears repeating As John Dewey said in 1916 Democracy must be reborn in each generation and education is the midwife **The Science of Success: 10 Steps to Prosperity and Power.
