□□□□□□□□ Zedong Mao,1975      **Goethe's Lyric Poems in English Translation Prior to 1800** Lucretia Van Tuyl Simmons,1919      *Goethe's Lyric Poems in English Translation Prior to 1860* Lucretia Van Tuyl Simmons,1919      **One Hundred Songs by Ten Masters** Henry T. Finck,1917      Ten Lectures on the Cultural Legacy of Dream of the Red Chamber Shanghai Library,      **Nature in Middle High German Lyrics** Bayard Quincy Morgan,1912      A Man's Vengeance and Other Poems George Barlow,1908      **Petrarch's Lyric Poems** Francesco Petrarca,1976 Durling's edition of Petrarch's poems has become the standard. Readers have praised the translation of the authoritative text as graceful and accurate, conveying a real understanding of what this difficult poet is saying. The literalness of the prose translation makes this book especially useful to students who lack a full command of Italian.      *William Wye Smith* Scott A. McLean, Michael E. Vance, 2008-11-10 Many writers of the late nineteenth and early twentieth centuries emphasized the virtues of early rural pioneers and life on the land as a general criticism of what they perceived to be the negative alienating influence of Ontario's rapid urban and industrial expansion. Such work often highlighted the difficulties the recent emigrant faced: the clearing of forest and the breaking of new ground, the isolation and long Canadian winters; however, they in turn celebrated the progress demonstrated in the pioneer's domination over nature, the establishment of thriving communities and the extension of transportation networks. William Wye Smith, a popular nineteenth-century Upper Canadian poet, was no exception. Smith prepared his *Canadian Reminiscences*, a hand-written compilation of anecdotes collected during his lifetime that relate to his experience as journalist, clergyman, and son of Scottish settlers, to provide his own unique perspective of pioneer life. This fully annotated version of Smith's unpublished manuscript highlights Smith's unwitting testimony to the social life of the province, his relationship to the construction and maintenance of Scottish and Canadian identity, as well as his position in literary history.      **The Middle English Lyric and Short Poem** Rosemary Greentree, 2001 This Bibliography assembles annotation of collections and criticism of lyrics of religious and secular love carols and songs and rhymes of everyday life.      Building Culture in Early Qing Yangzhou Tobie Sarah Meyer-Fong, 2003 The book focuses on the previously overlooked period between the conquest and the city's commercial florescence, a moment in which Yangzhou functioned as an important center of literary culture that was consciously conceived as transregional and transdynastic. With rich detail and extensive use of literary sources, the author documents the complex social and cultural interactions through which the community reconstituted itself. Jacket      **Encyclopedia of American Poetry: The Twentieth Century** Eric L. Haralson, 2014-01-21 The *Encyclopedia of American Poetry: The Twentieth Century* contains over 400 entries that treat a broad range of individual poets and poems, along with many articles devoted to topics, schools, or periods of American verse in the century. Entries fall into three main categories: poet entries, which provide biographical and cultural contexts for the author's career; entries on individual works, which offer closer explication of the most resonant poems in the 20th-century canon; and topical entries.

which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States The Hout Family for Two Hundred and Twenty-seven Years, Ten Generations, 1725 to 1952 Margaret Birney Pittis,1952 **Christian and Lyric Tradition in Victorian Women's Poetry** F. Elizabeth Gray,2009-09-10 In this study Gray examines the broadly neglected body of Victorian women s religious verse showing how women of the period used an array of inventive literary strategies to construct and wield provocative forms of authority Their deployment of biblical source trope and genre transfigured Christian and lyric traditions *Poetry and Drama* ,1914 *Poetry a la Carte* Connie Homan Weaver,2005 Get ready to serve up a tantalizing feast of poetry lessons This comprehensive guide offers new ideas that will spur students creative thinking and offer them new formats for poetry writing A variety of unique opportunities for developing written and oral language are offered Grades 5-8 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1977 Anthologies of British Poetry ,2021-11-22 From Tottel s Miscellany 1557 to the last twentieth century Oxford Book of English Verse 1999 anthologies have been a prime institution for the preservation and mediation of poetry The importance of anthologies for creating and re-creating the canon of English poetry for introducing new programmes of poetry as a record of changing poetic fashions audience tastes and reading practices or as a profitable literary commodity has often been asserted Despite its impact however the poetry anthology in itself has attracted surprisingly little critical interest in Britain or elsewhere in the English speaking world This volume is the first publication to explore the largely unmapped field of poetry anthologies in Britain Essays written from a wide range of perspectives in literary and cultural studies and the point of view of poets editors publishers and cultural institutions aim to do justice to the typological functional and historical variety with which this form of publication has manifested itself from early modern print culture to the postmodern age of the world wide web The Poetics of Repetition in English and Chinese Lyric Poetry Cecile Chu-chin Sun,2011-01-15 For more than half a century Chinese Western comparative literature has been recognized as a formal academic discipline but critics and scholars in the field have done little to develop a viable common basis for comparison between these disparate literatures In this pioneering book Cecile Chu chin Sun establishes repetition as the ideal perspective from which to compare the poetry and poetics from these two traditions Sun contends that repetition is at the heart of all that defines the lyric as a unique art form and by closely examining its use in Chinese and Western poetry she demonstrates how one can identify important points of convergence and divergence Through a representative sampling of poems from both traditions she illustrates how the irreducible generic nature of the lyric transcends linguistic and cultural barriers but also reveals the fundamental distinctions between the traditions Most crucially she dissects the two radically different conceptualizations of reality mimesis and xing that serve as underlying principles for the poetic practices of each tradition Skillfully integrating theory and practice *The Poetics of Repetition in English and Chinese Lyric Poetry* provides a much needed model for future

study of Chinese and English poetry as well as lucid succinct interpretations of individual poems
