Playing by the Rules Beverly Bird,2025-02-11 RULE 1 POSITIVELY NO FALLING IN LOVE ALLOWED Sam Case had a killer smile and a laid back charm that had women swooning at his feet and crying their hearts out over his playboy ways Suave on the outside but vulnerable on the inside Sam wanted out of the dating game But as a single mom I Mandy Hillman had given up on Mr Right until my smooth talking neighbor Sam proposed something more than friendship I agreed to his no strings attached affair and my best friend became my lover But then I ruined everything when I broke the rules and fell in love with Sam Suddenly anything less than happily ever after felt like losing And I always play to win **Working Overtime** Raye Morgan,2010-09-28 As the devoted single mother of two rambunctious boys and as the best darn paralegal in town Chareen Wolf knew all about hard work But she d never before had a job so demanding that she and her boss actually had to live together day after day night after night Trouble was her new boss had her heartbeat working overtime too Michael Greco was devastatingly handsome irresistibly charming and clearly determined to keep her with him long after business hours Yet despite their combustible chemistry the hard driving executive hadn t exactly scheduled marriage or kids into his future However now that she d finally found the man of her dreams Chareen wasn t about to throw in the towel Could they land the deal of a lifetime together **Risking It All** Beverly Bird,2010-10-01 This was the case that could make or break Grace Simkanian s career as a defense attorney but her client Aidan McKenna wasn t making it easy for her The charming cop enjoyed provoking and challenging her inspiring emotions that were anything but professional Grace was determined to win this case but would she lose her heart in the process Framed for extortion and set on proving his innocence Aidan was forced to depend on the sleek sophisticated Grace to help him find out who was behind the frame up His lady lawyer was pure temptation and he yearned to set her cool demeanor on fire But would putting his trust in Grace ultimately be Aidan s

dates soccer practice day care political correctness drudgery without facts television video games constant supervision endless distractions these and other insidious trends in child rearing and education are now the hallmarks of childhood As author Anthony Esolen demonstrates in this elegantly written often wickedly funny book almost everything we are doing to children now constricts their imaginations usually to serve the ulterior motives of the constrictors *Ten Ways to Destroy the Imagination of Your Child* takes square aim at these accelerating trends in a bitingly witty style reminiscent of C S Lewis while offering parents and children hopeful alternatives Esolen shows how imagination is snuffed out at practically every turn in the rearing of children almost exclusively indoors in the flattening of love to sex education and sex education to prurience and hygiene in the loss of traditional childhood games in the refusal to allow children to organize themselves into teams in the effacing of the glorious differences between the sexes in the dismissal of the power of memory which creates the worst of all possible worlds in school drudgery without even the merit of imparting facts in the strict separation of the child's world from the adult's and in the denial of the transcendent which places a low ceiling on the child's developing spirit and mind But Esolen doesn't stop at pointing out the problem he offers clear solutions as well With charming stories from his own boyhood and an assist from the master authors and thinkers of the Western tradition *Ten Ways to Destroy the Imagination of Your Child* is a welcome respite from the overwhelming banality of contemporary culture Interwoven throughout this indispensable guide to child rearing is a rich tapestry of the literature music art and thought that once enriched the lives of American children *Ten Ways to Destroy the Imagination of Your Child* confronts contemporary trends in parenting and schooling by reclaiming lost traditions This practical insightful book is essential reading for any parent who cares about the paltry thing that childhood has become and who wants to give a child something beyond the dull drone of today's culture
