Grant, Volume 20** Ulysses Simpson Grant, 1967 *Chocolate City* Chris Myers Asch, George Derek Musgrove, 2017-10-17 Monumental in scope and vividly detailed *Chocolate City* tells the tumultuous four century story of race and democracy in our nation's capital Emblematic of the ongoing tensions between America's expansive democratic promises and its enduring racial realities Washington often has served as a national battleground for contentious issues including slavery segregation civil rights the drug war and gentrification But D C is more than just a seat of government and authors Chris Myers Asch and George Derek Musgrove also highlight the city's rich history of local activism as Washingtonians of all races have struggled to make their voices heard in an undemocratic city where residents lack full political rights Tracing D C's massive transformations from a sparsely inhabited plantation society into a diverse metropolis from a center of the slave trade to the nation's first black majority city from *Chocolate City* to *Latte*

City Asch and Musgrove offer an engaging narrative peppered with unforgettable characters a history of deep racial division but also one of hope resilience and interracial cooperation
