**Rural Politics in India** Dayabati Roy, 2013-12-19 This book discusses the forms and dynamics of political processes in rural India with a special emphasis on West Bengal the nation's fourth most populous state West Bengal's political distinction stems from its long legacy of a Left-led coalition government for more than thirty years and its land reform initiatives The book closely looks at how people from different castes religions and genders represent themselves in local governments

political parties and in the social movements in West Bengal At the same time it addresses some important questions Is there any new pattern of politics emerging at the margins How does this pattern of politics correspond with the current discourse of governance Using ethnographic techniques it claims to chart new territories by not only examining how rural people see the state but also conceiving the context by comparing the available theoretical frameworks put forward to explain the political dynamics of rural India      Calcutta Requiem: Gender And The Politics Of Poverty Ananya Roy,2007-09

**Inclusive Growth and Development in India** Y. Tsujita,2014-08-22 India is one of the fastest growing countries in the world However high economic growth is accompanied by social stratification and widening economic disparity between states This book illustrates some important aspects of underdevelopment and the process by which the underclass is left behind by focusing on the country s most neglected regions      **Contractual Employment in Indian Labour Market** Neel Mani Prasad Verma,I. etc caste and gender based discrimination women s empowerment migrant workers poverty inequality agrarian concerns planning for development and so on Besides recommending policies to improve the state s development outcomes this book will aid researchers in identifying topics that may require additional research Clearly researched concise and up to date this book will be useful to the students and researchers from the fields of development economics development studies gender studies sociology political science economic history as well as the policy planners in the government

**Enhancing Agricultural Productivity and Farmer Incomes in Bihar** Bhaumik, Sankar Kumar, 2022-11-28 Enhancing Agricultural Productivity and Farmer Incomes in Bihar discusses the performance of Bihar s agriculture sector in recent times and the multifarious challenges it is facing The book explores future possibilities from the perspectives of raising agricultural productivity and farmer incomes and attaining inclusive growth Given that doubling farmers incomes in India is the declared agenda of the central and state governments the insights to be gained from this book would be invaluable for researchers and policymakers With more than 90 per cent of the operational holdings in Bihar falling under the marginal category and the average size of a holding being a meagre 0.39 hectares the viability of the small farming regime in the state is a serious issue This book will help readers to understand the developmental challenges not only in Bihar but also in other agriculturally backward regions that are largely dominated by small farmers It will also help researchers to locate areas in which more research needs to be undertaken if accelerated growth of the agriculture sector and sustainable improvement of farmers incomes are to be ensured

**Forest of Tigers** Annu Jalais, 2014-06-03 Acclaimed for its unique ecosystem and Royal Bengal tigers the mangrove islands that comprise the Sundarbans area of the Bengal delta are the setting for this pioneering anthropological work The key question that the author explores is what do tigers mean for the islanders of the Sundarbans The diverse origins and current occupations of the local population produce different answers to this question but for all the tiger question is a significant social marker Far more than through caste tribe or religion the Sundarbans islanders articulate their social locations and interactions by reference to the non human world the forest and its terrifying protagonist the man eating tiger The book combines rich ethnography on a little known region with contemporary theoretical insights to provide a new frame of reference to understand social relations in the Indian subcontinent It will be of interest to scholars and students of anthropology sociology development studies religion and cultural studies as well as those working on environment conservation the state and issues relating to discrimination and marginality

**Development, Decentralization and Democracy** Robert Thörlind, 2000 This book explores the controversy in political science surrounding the civil society social capital paradigm by studying the performance of decentralized governments in West Bengal and Bangladesh Gram panchayats and NGOs provide the focus of the study The study intends to determine whether a growth in social capital can explain why decentralized governments seem to be more effective in West Bengal though both areas decentralized their governments around the same time The two regions have shared for centuries a common history civic

culture ethnic identity and language though religion led to the separation of the regions      **Land Reforms** Amit Hazra,2006  
Study conducted at Birbhum Burdwan and Jalpaiguri districts of West Bengal India      Land Reforms in India Wajahat
