**Real Men Are Tender Warriors** I drank Budweiser, smoked Marlboros, and chased women. Tender Warriors sent me deeper into my heart and soul. When I finished it, I passed it on to a friend who was supposed to give it back but passed it on to someone else. This book changed his life. It knocked down the walls around his heart. His response: "The most important thing that has happened in my life started when you sent me that book." A reader's story.

**Behind the Book** No story behind. Instead, endorsements. Tender Warrior provides hope for men by challenging their assumptions and shaping their convictions. Read it. Devour it. Then live it. This is the time for real men to emerge.

Dennis Rainey, executive director, FamilyLife. In a day when our culture is at once confused and concerned over gender identity, men everywhere would do well to recalibrate their personal compasses by the biblical benchmarks found in Tender Warrior. I highly recommend this book.

Dr. Bruce Wilkinson, New York Times bestselling author. From the Trade Paperback edition.

**The Promise Keepers** John P. Bartkowski, 2004. Remember the Promise Keepers queries a recent media story on the evangelical men's movement that captured America's imagination and generated intense controversy during much of the 1990s. John P. Bartkowski has written the first account scrutinizing the turbulent forces that contributed to the group's wild popularity, declining fortunes, and current efforts to reinvent itself.

**The Tender Warrior** Chika C. Onu, 2010      **When He Invited Me** BJ Hawkins, 2025-05-24. I have written poems and songs that God has given to me as I have walked through painful valleys, tests, and trials with Him. I have been told by others that my poems are profound and have been asked to put them in a book. My hope is that in this book of poems, others may be enlightened and provoked to consider knowing God Almighty. My desire is to uplift the believer and to convey the love of Christ and his compassion to the unbeliever. Are you looking for answers? Are you looking for peace? Are you looking for hope? Look to Him. I did. When He Invited Me.

**Jesus and John Wayne** Kristin Kobes Du Mez, 2020-06-23. NEW YORK TIMES BESTSELLER. The paradigm-influencing book *Christianity Today* that is fundamentally transforming our understanding of white evangelicalism in America. *Jesus and John Wayne* is a sweeping revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism, or in the words of one modern chaplain, with a spiritual badass. As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today's evangelicals might not be theologically astute, but they know their VeggieTales; they've read John Eldredge's *Wild at Heart*, and they learned about purity before they learned about sex, and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes, mythical warriors, and rugged soldiers: men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of Christian America. Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was and did what needed to be done. Challenging the commonly held assumption that the moral majority backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump, in fact, represented the fulfillment rather than the betrayal of white evangelicals' most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most

influential subculture in this country Jesus and John Wayne shows that far from adhering to biblical principles modern white evangelicals have remade their faith with enduring consequences for all Americans *Killing for Life* Carol

Mason,2018-08-06 How can those who seek to protect the right to life defend assassination in the name of saving lives Carol Mason investigates this seeming paradox by examining pro life literature both archival material and writings from the front lines of the conflict Her analysis reveals the apocalyptic thread that is the ideological link between established anti abortion organizations and the more shadowy pro life terrorists who subject clinic workers to anthrax scares bombs and bullets The portrayal of abortion as America s Armageddon began in the 1960s In the 1970s Mason says Christian politics and the post Vietnam paramilitary culture popularized the idea that legal abortion is a harbinger of apocalypse By the 1990s Mason asserts even the movement s mainstream had taken up the call narrating abortion as an apocalyptic battle between so called Christian and anti Christian forces Pro life violence of the 1990s signaled a move away from protest and toward retribution she writes Pro life retribution is seen as a way to restore the order of God In this light the phenomenon of killing for life is revealed not as an oxymoron but as a logical consistency and a political manifestation of religious retribution Mason s scrutiny of primary sources direct mail internal memoranda personal letters underground manuals and pro life films magazines and novels draws attention to elements of pro life millennialism *Killing for Life* is a powerful indictment of pro life ideology as a coherent mass produced narrative that does not merely condone violence but anticipates it as part of God s plan *Boys* Paul Smith,2019-03-11 Analyzing the meanings of masculinity in contemporary culture this book examines

specific cultural male icons like Muhammad Ali Harvey Keitel Jean Claude Van Damme and Newt Gingrich and explores the male stereotypes such as the cowboy the father the homosexual and the Black terror **Battleground: Religion** Daniel L.

Smith-Christopher,2008-12-30 Is there a controversial issue in the contemporary world that does not involve religion Whether it s a debate over the beginning of life or on sexuality and family life or on the stewardship of humans over the environment almost all of the most contentious matters that impact today s society involve people s deeply held religious beliefs *Battleground Religion* helps clarify these complex topics by examining how various religious beliefs and practices impact current political social and cultural debates Each of the approximately 100 entries examines a hot button issue from war and peace to the culture wars and discusses in a balanced and objective way the points of view on these topics from all parts of the religious spectrum Students will come away from *Battleground Religion* with a better understanding of the issues that they will be encountering for years to come Each entry includes a bibliography or resources for further information

**His Battle** Jacob A. Shepherd,Sheri Rose Shepherd,2010-03-15 Jacob A Shepherd has teamed up with his mother Sheri Rose Shepherd on a book that speaks directly to men s souls renewing their strength and helping them to walk in power and truth *Valor and Vulnerability* Robert C. Dykstra,Ryan LaMothe,2025-04-10 Intimacy vulnerability precarity resiliency and loss are ingredients of any life though they take on particular shape and tone when we listen to the experiences of boys and

men The voices and stories of men and boys are invitations for pastoral ministers and theologians to understand and respond to their joys struggles and sorrows as well as to recognize and affirm their courage and strengths In this book thirteen scholars in pastoral theology from diverse backgrounds and perspectives collaborate in engaging art literature the social sciences and cultural artifacts to explore the intersection of masculinity and religious life in rich and varied forms Their aim in part is not only to deepen and appreciate wide ranging experiences of boys and men but also to attend and respond to systemic realities that contribute to or undermine their flourishing *Speed-up*, 1922 *Rise Up, O Men of God* L. Dean Allen, 2002 L Dean Allen analyzes both groups constructions of masculinity and social ethics in relation to the family the church and a prominent social issue Evangelical Christian leaders designed both organizations in response to their alarm at men s absence from evangelical churches and they sought to increase men s participation in churches and to improve society as a whole by their efforts Each group faced important social changes during its era such as new economic realities women s activities and perceived moral crises Despite their similarities as groups for evangelical Christian men only MRFM and PK developed contrasting constructions of masculinity and divergent social ethical calls for action **BOOK JACKET**

**Real-Life Discipleship** Tom Cheshire, Tom Gensler, 2019-07-27 The one BIG question How do you disciple another man Men in thousands of churches across the world know there is more to faith than just attending church they know there is the potential to walk in Christ s image live in Christ s image and work to spread Christ s word But the one big question they are all asking is how The Spirit of God is compelling them to seek the answer This book is the gateway to answering that question The authors spent years struggling to build a life of meaning before realizing their depravity and asking the questions What does it mean to be a godly man and how can I become one The Spirit answered by sending men into their lives to disciple them not with disdain or judgment but with love and compassion a gospel centered focus These men walked alongside them in the messiness of life helping them to apply Biblical truths and spiritual disciplines in a challenging world From their own personal journeys out of the abyss the authors have written this book Here you will learn to BUILD a one on one relationship CREATE a culture of men who support each other LOOK TO CHRIST and find what obstacles are blocking you TRANSFORM your life seeing the Gospel advance through the discipling of other men **Real Life Discipleship** The Ordinary Man s Guide to Disciple Making offers a gateway from confusion to clarity from struggle to transformation

**Calling Men out of the Cave** Nigel Mohammed, 2015-12-04 In the time of Saul the people of God were in a small minority in a context of spiritual decline yet Jonathan who had an abusive father courageously called six hundred men who were hiding in caves onto the battlefield The battle shifted for Gods people because of one mans outstanding courage Through the onslaught of secularism humanism and related ideologies the church is viewed by the culture to be irrelevant a bit like these men hiding in caves because of the odds that are against them Is this because men have been under some kind of enchantment Under a spell from the enemy who is inherently intangible and has caused the decline of Western culture

from a biblical worldview to individualism whose central idea now is that society can be composed of individuals without a central values system and heritage holding them together To destroy a nation the enemy has tried to dismantle families and thus masculinity and femininity Therefore a historical father absence is ultimately a spiritual battle and must be seen as such Jesus lived in a little platoon of twelve men trained invested in and released them therefore we have a proven model to follow why then have men been in serious decline from the church Mentors and spiritual fathers who know their calling are needed to produce men who will reproduce disciples who in turn will also be mentors and spiritual fathers with courage and vision to restore the broken foundations The foundations have been progressively dismantled but men are called to be the foundation by knowing that as followers of Jesus Christ we are the beloved of God and this can be a catalyst to finding and living our calling to live in His larger story together
