Tennessee Tech:

The Tennessee Tech University Centennial Laura Clemons, 2015-09-18 The Centennial Collection of Essays and Photographs provides a glimpse into the lives of people associated with Tech since 1915 putting their stories center stage in the university's history. This well researched and documented people's history tells in a new and personal way stories, tales and legends that make up Tech's first century. Tennessee Technological University Mancil Johnson, W. Calvin Dickinson, 2002-05-15 First established as the University of Dixie in 1909 Tennessee Technological University has grown into a flourishing internationally recognized university known for its emphasis on engineering science and sophisticated technology. Nestled in the foothills of the Cumberland Mountains in Cookeville Tennessee TTU has a remarkable history and has triumphed over many obstacles and changes in the last century. In the early 1900s the institute enrolled high school students as well as college students and operated this way for several years. In 1915 the school became Tennessee Polytechnic Institute and in 1927 TPI awarded its first college degrees and closed the high school program. In 1965 President Everett Derryberry implemented the school's final name change Tennessee Technological University containing over 200 black and white images explores the school's unique history from its birth in 1909 to its present day success as a top rated university with more than 8,500 students. Commemorated here are the ambitious and determined series of presidents and faculty members responsible for the school's ultimate success the noteworthy alumni including an astronaut Fortune 500 CEOs and world renowned researchers the athletes responsible for the school's history of trophies and championships and many others who have molded TTU into the outstanding institution it is today. **Tennessee Technological University Golden Anniversary** Tennessee Technological University, 1966 **Tennessee Technological University** Mancil Johnson, W.
