Saddik, 2015-01-26 This book explores Williams' late plays in terms of a theatre of excess which seeks liberation through exaggeration chaos ambiguity and laughter **Tennessee Williams's America** Ahmed Honeini, 2025-09-11 Tennessee Williams's America is the first full length study of homes families and familial exile in the plays of Tennessee Williams The central argument of this book is that Williams's vision of American life in his plays is predicated upon challenging the traditional idea of the home and family Throughout his plays the patriarchal space of the American home and family is shown to victimize and oppress two of society's most marginalized groups women and queer people in Williams's plays the experiences of one group often mirror and intersect with those of the other From his earliest plays such as *Candles to the Sun* and *Fugitive Kind* to the masterpieces of his major phase including *Battle of Angels* *Orpheus Descending* *The Rose Tattoo* *Cat on a Hot Tin Roof* *Period of Adjustment* *Suddenly Last Summer* and *Sweet Bird of Youth* through to the much maligned but equally rich works of his late period such as *Vieux Carré* and *Something Cloudy Something Clear* Williams depicts the home as a place which restricts and suffocates those who fail to perform their expected gender role in the wider patriarchal framework of American life In its extended full length treatment of homes families and familial exiles in his theatrical output this book adds a new perspective to Williams scholarship by examining the desperate and at times futile search for love relationality and belonging that his marginalized and alienated characters frequently pursue in alternative avenues of existence *Tennessee Williams - A Streetcar Named Desire/Cat on a Hot Tin Roof* Thomas Adler, 2012-12-07 *A Streetcar Named Desire* 1947 and *Cat on a Hot Tin Roof* 1955 are major plays by Tennessee Williams one of America's most significant dramatists They both received landmark productions and are widely studied and performed around the world The plays have also inspired popular screen adaptations and have generated a body of important and lasting scholarship In this indispensable Reader's Guide Thomas P Adler Charts the development of the criticism surrounding both works from the mid twentieth century through to the present day Provides a readable assessment of the key debates and issues Examines a range of theoretical approaches from biographical and New Criticism to feminist and queer theory In so doing Adler helps us to appreciate why these plays continue to fascinate readers theatregoers and directors alike **Production Casebook for Tennessee Williams' Orpheus Descending** Melanie Deas, Caroline Nastro, 1995 *The World of Tennessee Williams* Richard Freeman Leavitt, Kenneth Holditch, 2011-03 *The World of Tennessee Williams* offers a survey of the life and career of one of America's greatest dramatists from his birth in 1911 to his death in 1983 Richard Leavitt was in a unique position to create such a volume since he was a friend of Tennessee's and followed his career closeup Kenneth Holditch who has undertaken the task of completing the text was a friend of Leavitt's and knew Tennessee Williams It has been his desire to carry to fruition the original plan Dick Leavitt conceived in the 1970s and augmented in 1983 when Williams died *Modern Dramatists* Kimball King, 2013-04-03 This
