Tent Show:

Tent Show Donald W. Whisenhunt, 2000 Tent Show captures both the glamour the shows held for the audiences and the hard work and financial jeopardy those who performed in them faced Donald Whisenhunt whose father was one of Names s partners during part of the period covered draws on family papers letters and other original documents and interviews shedding light on the role this form of entertainment played in the communities it visited the very unglamorous business that underlay the show and the kinds of people who chose this way of life Jacket [The History of the Haverstock Tent Show](#) Robert Lee Wyatt, 1997 Although rural America supported more than seven hundred tent repertoire groups during the first half of the twentieth century little is known about the many players and companies that strolled the land to bring live entertainment to small towns Thus Robert Lee Wyatt s chronicle of a pioneer dramatic tent repertoire company is more than just a fascinating story it is also a particularly significant piece of American theater history Founded in Roosevelt Oklahoma in 1911 by Harvey Haver and Carlotta Lotta Haverstock the Haverstock Tent Show proved to be one of the most enduring of these tent theater companies and of family enterprises Rolland Haverstock the founders son played leading man roles for thirty of the company s forty three years and Rolland s wife Peggy who joined the company in 1933 toured with the group until it dissolved in 1954 As Wyatt reports the life and work of this remarkable family of thespians the schedule sounds grueling at least one new town every week with a different three act play for each night they worked a town but apparently the Haverstocks and the actors who traveled with them loved their work And they thoroughly enjoyed meeting new people in the towns along the route through rural Oklahoma Texas Missouri Arkansas and Illinois Unlike many such companies the Haverstocks made a point of fitting into the community including going to church with their audiences on Sunday mornings Wyatt was exceptionally fortunate in finding such willing and able subjects as he investigated the tent theater movement Not only did Rolland and Peggy Haverstock spend hours regaling him with tales of the family touring company but they also provided him with their own archival records Through these two veteran players Wyatt had access to family letters Haver s memoirs and diaries copies of scripts route books record books and scrapbooks and photographs some of which are included here Wyatt supplemented this material with interviews with those who had worked with the Haverstocks or who had known the company by reputation

The Blackface Minstrel Show in Mass Media Tim Brooks, 2019-11-29 The minstrel show occupies a complex and controversial space in the history of American popular culture Today considered a shameful relic of America s racist past it nonetheless offered many black performers of the 19th and early 20th centuries their only opportunity to succeed in a white dominated entertainment world where white performers in blackface had by the 1830s established minstrelsy as an enduringly popular national art form This book traces the often overlooked history of the modern minstrel show through the advent of 20th century mass media when stars like Al Jolson Bing Crosby and Mickey Rooney continued a long tradition of affecting black music dance and theatrical styles for mainly white audiences to its abrupt end in
