An Introduction to the Modern Middle East David S. Sorenson,2018-05-04 Combining elements of comparative politics with a country by country analysis author David S Sorenson provides a complete and accessible introduction to the modern Middle East With an emphasis on the politics of the region the text also dedicates chapters specifically to the history religions and economies of countries in the Persian Arabian Gulf the Eastern Mediterranean and North Africa In each country chapter a brief political history is followed by discussions of democratization religious politics women s issues civil society economic development privatization and foreign relations In this updated and revised second edition An Introduction to the Modern Middle East includes new material on the Arab Spring the changes in Turkish politics the Iranian nuclear issues and the latest efforts to resolve the Israeli Palestinian dilemma Introductory chapters provide an important thematic overview for each of the book s individual country chapters and short vignettes throughout the book offer readers a chance for personal reflection **The Failure of the Muslim Brotherhood in the Arab World** Nawaf Obaid,2020-01-07 This book is an

indispensable resource for anyone looking to understand the Muslim Brotherhood Qatar s role in promoting the group and the ideological social and religious factors that have led to its ultimate failure The book begins by looking at the birth of the Muslim Brotherhood MB in 1928 in Egypt It then traces its ideology and expansion via the various affiliate organizations in the Arab world as well as its international presence up to the present day Throughout this historical analysis evidence is presented linking the MB again and again to political violence and a lack of a coherent policy The book weaves into this history the influence of Qatari support a clarification of the division between true Salafism and the MB s radical ideology an explanation of how Jamal Khashoggi was a living metaphor for this misunderstanding and the role the MB has played in various revolutionary movements throughout the Middle East The book concludes with a current geopolitical outlook on the MB itself and the Arab world in which it resides The book is extensively sourced with first hand primary source quotes from numerous exclusive personal interviews conducted by the author with both experts on the subject and officials in the region
