Tenzin Gyatso The Dalai Lama From Birth To Exile:

Freedom In Exile The Dalai Lama, 2023-07-13 The autobiography of the Dalai Lama of Tibet a fascinating insight into the mind of one of the greatest contemporary spiritual leaders An extraordinary story Daily Mail Compelling fascinating eye opening Washington Post A vital historical witness not only to inhumanity but to compassion Los Angeles Times Fortright often amusing New York Times In 1938 a two year old boy was recognised through a traditional process of discovery as being the reincarnation of all previous Dalai Lamas the spiritual rulers of Tibet Taken away from his parents he was brought up in Lhasa according to a monastic regimen of rigorous austerity and in almost total isolation Aged seven he was enthroned in the 1000 room Potala palace as the supreme spiritual leader of a nation the size of Western Europe with population of six million And at fifteen he became head of state With Tibet under threat from the newly Communist Chinese there followed a traumatic decade during which he became the confidant of both Chairman Mao and Jawaharal Nehru as he tried to maintain autonomy for his people Then in 1959 he was finally forced into exile followed by over 100 000 destitute refugees Here in his own words he describes what it was like to grow up revered as a deity among his people reveals his innermost feelings about his role and discusses the mysteries of Tibetan Buddhism

Freedom in Exile Dalai Lama, 1991-06-21 In this astonishingly frank autobiography the Dalai Lama reveals the remarkable inner strength that allowed him to master both the mysteries of Tibetan Buddhism and the brutal realities of Chinese Communism

Illuminating the Path to Enlightenment His Holiness the Dalai Lama, 2011-01-01 About one thousand years ago the great Indian pandit and yogi Dipamkara Shrijnana Atisha was invited to Tibet to re establish the Buddhadharma which had been suppressed and corrupted for almost two centuries One of Atisha s main accomplishments in Tibet was his writing of the seminal text A Lamp for the Path to Enlightenment in which he extracted the essence of all 84 000 teachings of the Buddha and organized them into a clear step like arrangement that makes it easy for any individual practitioner to understand and practice the Dharma This genre of teachings is known as lam rim or steps of the path and forms an essential part of every school of Tibetan Buddhism In this book His Holiness the Dalai Lama gives a commentary to not only Atisha s revolutionary work but also to Lines of Experience a short text written by Lama Tsongkhapa who was perhaps the greatest of all Tibetan lam rim authors In bringing together Atisha Lama Tsongkhapa and His Holiness the Dalai Lama this book offers readers one of the clearest and most authoritative expositions of the Tibetan Buddhist path ever published and it is recommended for those at the beginning of the path the middle and the end This book is made possible by kind supporters of the Archive who like you appreciate how we make these teachings freely available in so many ways including in our website for instant reading listening or downloading and as printed and electronic books Our website offers immediate access to thousands of pages of teachings and hundreds of audio recordings by some of the greatest lamas of our time Our photo gallery and our ever popular books are also freely accessible there Please help us increase our efforts to spread the Dharma for the happiness and benefit of all beings You can find out more about becoming a
