Beyond Piggly Wiggly Lisa C. Tolbert,2023-08 Patented in 1917 Piggly Wiggly was by far the most influential self service store of the early twentieth century Before 1940 it was the only self service chain with a national distribution network but it was neither the first nor the only version Beyond Piggly Wiggly reveals the importance of Piggly Wiggly in the invention of self service and goes beyond the history of a single firm to explore the role of small business entrepreneurs who invented the first self service stores in a grassroots social process During the 1920s and 1930s a minority of enterprising grocers experimented with a wide variety of sometimes wacky design ideas for automating shopping They created specialized stores designed as enclosed retail systems that went far beyond open display techniques to construct unique physical and psychological advantages for automating salesmanship Beyond Piggly Wiggly offers the first perspective on the national scale of experimentation and connects the southern Jim Crow origins of self service to the national history of this mass retailing method Empirical analysis of store arrangements demonstrates how small stores that have previously been overlooked or undervalued as quaint anomalies were integral to the creation of supermarkets Ultimately self service was more than a business decision it was a fundamentally new social practice **Beyond Batting Average** Lee Panas,2010 Over the past few decades a multitude of advanced hitting pitching fielding and base running measures have been introduced to the baseball world This comprehensive sabermetrics primer will introduce you to these new statistics with easy to understand explanations and examples It will illustrate the evolution of statistics from simple traditional measures to the more complex metrics of today You will learn how all the statistics are connected to winning and losing games how to interpret them and how to apply them to performance on the field By the end of this book you will be able to evaluate players and teams through statistics more thoroughly and accurately than you could before Beyond the Dunes Juhi Sinha,2007 A Must Have For The
