*Rewired* James Patrick Kelly, John Kessel, 2007-10-01 Cyberpunk is dead The revolution has been co-opted by half-assed heroes overclocked CGI and tricked out shades Once radical cyberpunk is now nothing more than a brand Time to stop flipping the channel These sixteen extreme stories reveal a government ninja routed by a bicycle repairman the inventor of digitized paper hijacked by his college crush a dead boy trapped in a warped storybook paradise and the queen of England attacked with the deadliest of forbidden technology a working modem You'll meet Manfred Macx renegade meme broker Red Sonja virtual reality sex goddess and Felix humble sys admin and post-apocalyptic hero Editors James Patrick Kelly and John Kessel Feeling Very Strange The Slipstream Anthology have united cyberpunk visionaries William Gibson Bruce Sterling and Pat Cadigan with the new post cyberpunk vanguard including Cory Doctorow Charles Stross and Jonathan Lethem Including a canon establishing introduction and excerpts from a hotly contested online debate *Rewired* is the first anthology to define and capture the crackling excitement of the post cyberpunks From the grittiness of *Mirrorshades* to the Singularity and beyond it's time to revive the revolution

*Queering The Terminator* David Greven, 2017-06-15 The Terminator film series is an unlikely site of queer affiliation The entire premise revolves around both heterosexual intercourse and the woman's pregnancy and giving birth It is precisely the Terminator's indifference to both that signifies it as an unimaginably inhuman monstrosity Indeed the films overarching contention that humanity must be saved rooted as it is in a particular story about pregnancy and birth that exclusively focuses on the heterosexual couple and the family would appear to put it at odds with the political stances of contemporary queer theory Yet as this book argues there is considerable queer interest in the Terminator mythos The films provide a framework for interpreting shifting gender codes and the emergence of queer sexuality over the period of three decades Significantly the series emerges in the Reagan 80s which marked a decisive break

with the sexual fluidity of the 70s As a franchise and on the individual basis of each film The Terminator series combines both radical and reactionary elements Each film reflects the struggles over gender and sexuality specific to its release At the same time the series foregrounds the intersection of technology and gender that has become a definitive aspect of contemporary experience A narrative organized around a conservative view of female sexuality and the family the Terminator myth is nevertheless a richly suggestive narrative for queer theory and gender studies Isaac Asimov's Derec: Panic in the year

Studies in Popular Culture, 1994 **Triggered** Fletcher Wortmann, 2012-03-27 AS FEATURED ON NPR'S TALK OF THE NATION Imagine the worst thing in the world Picture it Construct it carefully and deliberately in your mind Be careful not to omit anything Imagine it happening to you to the people you love Imagine the worst thing in the world Now try not to think about it This is what it is like for Fletcher Wortmann In his brilliant memoir the author takes us on an intimate journey across the psychological landscape of OCD known as the doubting disorder as populated by God girls and apocalyptic nightmares Wortmann unflinchingly reveals the elaborate series of psychological rituals he constructs as preventative measures to ward off the end times as well as his learning to cope with intrusive thoughts through Clockwork Orange like trigger therapy But even more than this the author emerges as a preternatural talent as he unfolds a kaleidoscope of culture high and low ranging from his obsessions with David Bowie X Men and Pokemon to an eclectic education shaped by Shakespeare Kierkegaard Catholic mysticism Christian comic books and the collegiate dating scene at the People's Republic of Swarthmore Triggered is a pitch perfect memoir a touching triumphantly funny compulsively readable and ultimately uplifting coming of age tale for Generation Anxiety Fletcher Wortmann on OCD and sex If a girl accepts an invitation to help count the tiles on your bedroom ceiling then she will probably be disappointed when she realizes you were speaking literally on OCD and religion I have found Catholicism and obsessive compulsive disorder to be deeply sympathetic to one another One is a repressive construct founded in existential terror barely restrained by complex arbitrary ritual behaviors the other is an anxiety disorder on OCD humor By the sink I noticed a perfunctory sign warning readers to wash their hands It was scrawled with graffiti NO YOU CAN'T GERMS ARE UNPREVENTABLE AND INESCAPABLE on the seductiveness of OCD Every so often everything will work and you will somehow convince yourself that you are safe and the disorder will claim credit I had struck a bargain with the OCD The transaction was complete In that moment I became subservient to it

Tech-Noir Paul Meehan, 2015-08-13 This critical study traces the common origins of film noir and science fiction films identifying the many instances in which the two have merged to form a distinctive subgenre known as Tech Noir From the German Expressionist cinema of the late 1920s to the present day cyberpunk movement the book examines more than 100 films in which the common noir elements of crime mystery surrealism and human perversity intersect with the high technology of science fiction The author also details the hybrid subgenre's considerable influences on contemporary music
