Raised By Unicorns Frank Lowe, 2018-06-12 I am honored to recommend this book to ALL parents. It relates to all families' tolerance and love. Greg Berlanti, writer, producer, director, *Raw*, and unfiltered Lowe breaks new ground highlighting the dire need for further exploration. 5 Hearts Foreword Reviews: A powerful eye opener. Amanda Hopping, Winn, chief program officer, Family Equality Council, *Raw*, personal and uncensored: this must-read book gives us insight as to what it's like to be raised by same-gender parents and how that can impact one's life. Eric Rosswood, author of *The Ultimate Guide for Gay Dads* and *Journey to Same Sex Parenthood*. In recent years, the world has been saturated by endless blogs, articles, and books devoted to the subject of LGBTQ parenting. On the flip side, finding stories written by the children of LGBTQ parents is akin to searching for a needle in a haystack. Now that the world is more accepting than ever of non-traditional families, it's time to create a literary space for this not-so-unique, shared but completely individual experience. In *Raised by Unicorns: Stories from People with LGBTQ Parents*, Frank Lowe has carefully edited an anthology that reflects on the upbringing of children in many different forms of LGBTQ families. From Baby Boomers to Generation Z, it features diverse stories that express the distinctiveness of this shared journey and of each particular family. It's visceral, raw, and not always pretty, but love is always the common thread. Lowe candidly reveals true accounts of this particular niche of humanity while simultaneously creating a moving snapshot of the world in which we live. *Raised by Unicorns* guides the reader through an empathetic journey that is nothing short of compelling and poignant. We've all heard the phrase "raised by wolves." Now we have a window into the complex world of being *Raised by Unicorns*. *The School Code Part 2* Tonia Inturrisi, 2014-02-20 This is the exiting sequel to the *School Code* part 1. All your favourite characters are back and are older and wiser for the most part. As Stacey and her friends jump into their final year of high school, there are many trials and triumphs, friends to be made and lost, hot new romances. With a surprise new couple, you'll never guess who. Who will Stacey end up with? What about Shannon and Robert? This exiting sequel is certainly set to rival the original. With the old characters returning, new additions to the group in Melbourne and Queensland, and of course brand new *School Code* dramas, what will Stacey's decision be as the *School Code* gets more and more out of control and she starts to make new friends and start to realize what's important to herself and to her friends? Will Stacey follow her heart or her popularity and Melbourne friends and boyfriend? Her decision will be set to shock and will change the face of the *School Code* forever. The finale of this exiting sequel is not to be missed. There will be a shock finale that is action-packed and sure to shock readers. With all characters getting thrown back together again to finish off the teen portion of the *School Code*, the finale will be full of tears and triumphs, action-packed with love and friendships formed, and a shock twist that you will never guess. The *School Code* part 2 certainly has many highs and lows but finishes off the high school part of the *School Code* very well, takes the teen and high school years out with a bang. *A Unicorn Dies* Paul S. Fiddes, 2019-09-30 Giles, a questing undergraduate student at the University of Oxford, finds his life

taking an unexpected turn after the suspicious death of a PhD student a death the police believe to be suicide He determines to solve the mystery by following a trail of artworks that depict a unicorn Travelling to museums and galleries he gradually discovers the truth about whether the student has taken his own life or been murdered and who if anyone is guilty His quest immerses him in the world of the unicorn in medieval and Renaissance art and introduces him to the present day obsession with the unicorn in the media advertising and social networks All this enables him to crack the code of the unicorn that has been buried in the tradition of the Christian church for many years and to answer the questions he has about a death that deeply affects him personally and that finally threatens his own life
