The Idea Of God And Human Freedom

Markus Kohl

The Idea Of God And Human Freedom:

The idea of God and human freedom Wolfhart Pannenberg, 1971 **Kierkegaard on God's Will and Human Freedom** Lee C. Barrett, 2023-12-11

Sen Kierkegaard's authorship exhibits two different trajectories concerning the relation of responsible human agency to sovereign divine agency: one trajectory stresses free human striving while the other trajectory emphasizes the dominance of divine agency. The first theme led to the view of Kierkegaard as the champion of autonomous existential leaps while the second led to the construal of Kierkegaard as a devout Lutheran who trusted absolutely in God's gracious governance. Lee C. Barrett argues that Kierkegaard, influenced by Kant's critique of metaphysics, did not attempt to integrate human and divine agencies in any speculative theory. Instead, Kierkegaard deploys them to encourage different passions and dispositions that can be integrated in a coherent human life, making use of literary strategies to foster the different passions and dispositions that are associated with the themes of human responsibility and divine governance.

Kierkegaard on God's Will and Human Freedom: An Upbuilding Antinomy offers an incisive account of what makes Kierkegaard's conception of theology as a matter of edification rather than speculation so distinctive and enduringly worthwhile.

The Development of the Idea of Human Freedom. A Lecture Before the North Brookfield Lyceum, Etc. R. T. ROBINSON, 1848 **Human Freedom and the Logic of Evil** Richard Worsley, 2016-07-27

Worsley argues that it is rational to believe in a realist, loving God in the face of evil. Beginning with a critique of Alvin Plantinga, he shows that human freedom is highly complex and so depends upon complex structures in nature. These are both necessary for freedom but also sufficient for natural evil. He offers close analysis of the evolution of the human brain. The book develops a parallel argument that human evil stems from the evolution of personality.

Spinoza on Human Freedom Matthew J. Kisner, 2011-02-10

Spinoza was one of the most influential figures of the Enlightenment but his often obscure metaphysics makes it difficult to understand the ultimate message of his philosophy. Although he regarded freedom as the fundamental goal of his ethics and politics, his theory of freedom has not received sustained comprehensive treatment. Spinoza holds that we attain freedom by governing ourselves according to practical principles which express many of our deepest moral commitments. Matthew J. Kisner focuses on this theory and presents an alternative picture of the ethical project driving Spinoza's philosophical system. His study of the neglected practical philosophy provides an accessible and concrete picture of what it means to live as Spinoza's ethics envisioned.

God and Human Freedom Rev. Fr. Francis Iyke Agada, 2015-07-22

Anselm has an amazing thought pattern that captures attention though very complex yet one cannot resist his arguments to the next page which is a joy to read. Michael Ivan PhD

Anselm writes with grace and wit about one of the fundamental issues of our time drawn from the most ancient to recent research and arguments. He makes the science of old-aged issues on human freedom accessible and insightful to contemporary readers.

Iwueke Charles B Phil

Could it be that God views our freedom as a threat to his own powers?

God and Human Freedom Leigh C. Vicens, Simon

Kittle,2019-07-04 This Element considers the relationship between the traditional view of God as all powerful all knowing and wholly good on the one hand and the idea of human free will on the other It focuses on the potential threats to human free will arising from two divine attributes God s exhaustive foreknowledge and God s providential control of creation *The Tragedy of Human Freedom* Martien E. Brinkman,2021-11-15 Human freedom has been the source of both the high points of humanity as well as of its low points thus giving rise to the impression that it is a somewhat ambivalent concept According to Martien Brinkman the major factor in this ambivalence is the rather narrow meaning that the concept has received in the course of history Freedom is for the most part understood as freedom from or freedom to but only rarely as freedom for However it is precisely this latter understanding that is closest to the Christian understanding of freedom which Brinkman defines as internal attachment In his view Christian freedom is at bottom characterized by that to which one commits oneself in trust He sees primarily the Christian theology of baptism with its accent on dying and rising with Christ as the model for the way in which one acquires freedom Brinkman illustrates this in this study by means of a great number of biblical images and images borrowed from the historical debates between Augustine and Pelagius and Luther and Erasmus **Divine Promise and Human Freedom in Contemporary Catholic Thought** Kevin A. McMahon,2015-07-01 It has always been understood that the central claim of Christianity that Jesus born of Mary is the Son of God is as much a declaration of the mystery of the human as it is the mystery of God just as the claim that in virtue of this identity he is the Christ who restores and more transforms the created order intensifies the mystery of the human even further When the age of revolution was followed by the age of science and the effort to shape the environment by technology was joined by an injunction to shape societies and economies and class conflicts became part of world conflicts the question about the human emerged as a crisis in the meaning of being human Yet the Catholic mind preoccupied like every other with the crisis has conducted its reflection within a tradition of Christian humanism insisting on the mystery and the tragedy and still the dignity of the human This collection of essays by thirteen Catholic scholars of philosophy theology and political thought investigates a range of topics from human sexuality and marriage to moral freedom and responsibility in a pluralistic society while demonstrating that the Gospel passed on in an ecclesial tradition entered into through a sacramental tradition remains the one radical source of confidence in the quest for human truth **The Apologetic Value of Human Holiness** Victoria S. Harrison,2000-11-30 The Apologetic Value of Human Holiness begins by providing the first comprehensive account of the model of human holiness developed by the leading theologian Hans Urs von Balthasar In so doing the book also provides the first detailed explication of his Christocentric philosophical anthropology Part 2 argues that von Balthasar anticipates some key developments in late twentieth century Anglo American analytical philosophy and that certain of these developments in particular the internal realism of Hilary Putnam provide powerful support for von Balthasar s theological philosophy The final part elucidates von Balthasar s core intuition that human holiness is of immense apologetic value for religious faith and concludes with a new

internalist theory of religious pluralism The Apologetic Value of Human Holiness will be seen as an important and original contribution to both Philosophy of Religion and Theology and is likely to prove essential reading in upper level undergraduate and postgraduate courses in both subjects Inclusion or Exclusion in the Sacred Texts and Human Contexts Muhammad Shafiq, Thomas Donlin-Smith, 2024-10-25 This work delves into the fundamental issue of Otherness from both sacred texts and communal experiences While the title adopts the dyad of inclusion or exclusion these analyses broadly reflect nuanced critical considerations Filled with profound psychological theological sociological anthropological and ethical dimensions experiencing the Other is richly expressed within religious traditions This book is a must for scholars interested in a multi disciplinary approach to inclusivity and religion Human Freedom, Divine Knowledge, and Mere Molinism Timothy A. Stratton, 2020-10-02 Does humanity possess the freedom to think and act or are we always caused and determined to think and act exactly how we think and act by things outside of our control If we are always causally determined to think and act by things outside of our control then how can humans be genuinely responsible for any of our thoughts or following actions However if humanity is genuinely free and responsible for at least some of our thoughts and actions then how can the Christian rationally affirm the doctrine that God is totally sovereign and predestines all things In Human Freedom Divine Knowledge and Mere Molinism Timothy A Stratton surveys the history of theological thought from Augustine to Edwards and reaches surprising historical conclusions supporting what he refers to as limited libertarian freedom Stratton goes further to offer multiple arguments appealing to Scripture theology and philosophy that each conclude humanity does in fact possess libertarian freedom He then appeals to the work of Luis de Molina and offers unique arguments concluding that God possesses middle knowledge If this is the case then God can be completely sovereign and predestine all things without violating human freedom and responsibility Divine Foreknowledge and Human Freedom William Lane Craig, 1990-12-01 The ancient problem of fatalism more particularly theological fatalism has resurfaced with surprising vigour in the second half of the twentieth century Two questions predominate in the debate 1 Is divine foreknowledge compatible with human freedom and 2 How can God foreknow future free acts Having surveyed the historical background of this debate in The Problem of Divine Foreknowledge and Future Contingents from Aristotle to Suarez Brill 1988 William Lane Craig now attempts to address these issues critically His wide ranging discussion brings together a thought provoking array of related topics such as logical fatalism multivalent logic backward causation precognition time travel counterfactual logic temporal necessity Newcomb s Problem middle knowledge and relativity theory The present work serves both as a useful survey of the extensive literature on theological fatalism and related fields and as a stimulating assessment of the possibility of divine foreknowledge of future free acts **Philosophical Investigations into the Essence of Human Freedom** F. W. J. Schelling, 2010-03-25 Jeff Love and Johannes Schmidt offer a fresh translation of Schelling s enigmatic and influential masterpiece widely recognized as an indispensable work of German Idealism The text is an embarrassment of riches both

wildly adventurous and somberly prescient Martin Heidegger claimed that it was one of the deepest works of German and thus also of Western philosophy and that it utterly undermined Hegel's monumental Science of Logic before the latter had even appeared in print Schelling carefully investigates the problem of evil by building on Kant's notion of radical evil while also developing an astonishingly original conception of freedom and personality that exerted an enormous if subterranean influence on the later course of European philosophy from Schopenhauer and Kierkegaard through Heidegger to important contemporary theorists like Slavoj Žižek This translation of Schelling's notoriously difficult and densely allusive work provides extensive annotations and translations of a series of texts by Boehme Baader Lessing Jacobi and Herder hard to find or previously unavailable in English whose presence in the Philosophical Investigations is unmistakable and highly significant This handy study edition of Schelling's masterpiece will prove useful for scholars and students alike

The Essence of Human Freedom Martin Heidegger, 2005-03-01 The Essence of Human Freedom is a fundamental text for understanding Heidegger's view of Greek philosophy and its relationship to modern philosophy These previously untranslated lectures were delivered by Heidegger at the University of Freiburg in the summer of 1930

Divine Providence and Human Agency Mr Alexander S Jensen, 2014-04-28 Divine Providence and Human Agency develops an understanding of God and God's relation to creation that perceives God as sovereign over creation while at the same time allowing for a meaningful notion of human freedom This book provides a bridge between contemporary approaches that emphasise human freedom such as process theology and those influenced by it and traditional theologies that stress divine omnipotence This book argues that it is essential for Christian theology to maintain that God is ultimately in charge of history otherwise there would be no solid grounds for Christian hope Yet the modern human self understanding as free agent within certain limitations must be taken seriously Jensen approaches this apparent contradiction from within a consistently trinitarian framework Jensen argues that a Christian understanding of God must be based on the experience of the saving presence of Christ in the Church leading to an apophatic and consistently trinitarian theology This serves as the framework for the discussion of divine omnipotence and human freedom On the basis of the theological foundation established in this book it is possible to frame the problem in a way that makes it possible to live within this tension Building on this foundation Jensen develops an understanding of history as the unfolding of the divine purpose and as an expression of God's very being which is self giving love and desire for communion This book offers an important contribution to the debate of the doctrine of God in the context of an evolutionary universe

Kant on Freedom and Rational Agency Markus Kohl, 2023 Markus Kohl presents a new interpretation and rational reconstruction of Kant's doctrine of freedom He shows how Kant defends the belief that we are free from both natural and super natural causes as a presupposition of all meaningful human activity And Kohl explores the role of freedom in Kant's accounts of morality cognition and aesthetics

International Journal of Integrative Humanism Vol. 11 No. 1 Department of Classics and Philosophy University of Cape Coast, Ghana, 2019-06-24 The Journal of Integrative Humanism

Between Philosophy and Religion, Vol. II Brayton Polka, 2007-02-01 In Between Philosophy and Religion Volumes I and II Brayton Polka examines Spinoza's three major works on religion politics and ethics in order to show that his thought is at once biblical and modern Indeed Polka argues that Spinoza is biblical only insofar as he is understood to be one of the great philosophers of modernity and that he is modern only when it is understood that he is unique in making the interpretation of the Bible central to philosophy and philosophy central to the interpretation of the Bible This book and its companion volume are essential reading for any scholar of Spinoza *The Essence of Human Freedom* Martin Heidegger, 2002-01-01 Taken from a lecture course delivered by Heidegger at the University of Freiburg in 1931-32 this book presents the German philosopher's views on the problem of human freedom the meaning of freedom and being as reflected in Greek philosophy Kant's treatment of freedom and causality and other concerns central to Heidegger's thought

This Enthralling Realm of E-book Books: A Comprehensive Guide Revealing the Pros of Kindle Books: A World of Ease and Versatility E-book books, with their inherent portability and simplicity of access, have liberated readers from the limitations of physical books. Gone are the days of lugging bulky novels or meticulously searching for specific titles in shops. Kindle devices, sleek and lightweight, seamlessly store an wide library of books, allowing readers to immerse in their preferred reads whenever, everywhere. Whether commuting on a bustling train, relaxing on a sun-kissed beach, or just cozying up in bed, Kindle books provide an unparalleled level of ease. A Literary World Unfolded: Exploring the Wide Array of E-book The Idea Of God And Human Freedom The Idea Of God And Human Freedom The Kindle Store, a virtual treasure trove of bookish gems, boasts an extensive collection of books spanning diverse genres, catering to every readers taste and choice. From captivating fiction and mind-stimulating non-fiction to classic classics and contemporary bestsellers, the Kindle Store offers an exceptional variety of titles to explore. Whether looking for escape through engrossing tales of fantasy and adventure, delving into the depths of historical narratives, or expanding ones knowledge with insightful works of science and philosophy, the Kindle Store provides a gateway to a bookish world brimming with endless possibilities. A Transformative Factor in the Bookish Landscape: The Enduring Influence of E-book Books The Idea Of God And Human Freedom The advent of E-book books has undoubtedly reshaped the bookish scene, introducing a paradigm shift in the way books are released, distributed, and read. Traditional publishing houses have embraced the online revolution, adapting their strategies to accommodate the growing need for e-books. The Idea Of God And Human Freedom Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Idea Of God And Human Freedom PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Idea Of God And Human Freedom PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Idea Of God And Human Freedom free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Idea Of God And Human Freedom Books

1. Where can I buy The Idea Of God And Human Freedom books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
