The Identity Of Jesus Christ

Charles F. Stanley

The Identity Of Jesus Christ:

The Identity of Jesus Christ, Expanded and Updated Edition Hans W. Frei, 2013-11-19 This is a book about Jesus of Nazareth It is not a book about story nor about narrative theology Hans Frei was not a theologian of story or of narrative in any general way and this book is neither about the narrative quality of our existence and the gospel's relation to that quality nor about the narrative shape of the Scriptures as a whole and the call on us to place ourselves within that narrative Rather this is a book about the way in which Jesus of Nazareth's identity is rendered by the Gospels largely the Synoptic Gospels particularly the Gospel of Luke and especially in the passion and resurrection sequences by means of a certain kind of narrative from the Foreword by Mike Higton

Seeking the Identity of Jesus Beverly Roberts Gaventa, Richard B. Hays, 2008-10-15 In view of the proliferation of conflicting images of Jesus in the church in the academy and in popular culture it is no wonder that his identity sometimes appears more elusive than ever Seeking the Identity of Jesus brings together an interdisciplinary group of leading scholars from the fields of biblical studies theology and church history to focus on the complex problems surrounding the quest for the historical Jesus Their perspectives are richly informed by Scripture testimony from the church's past and experience of the risen Jesus in the present Contributors Dale C Allison Jr Gary A Anderson Markus Bockmuehl Sarah Coakley Brian E Daley Beverly Roberts Gaventa A Katherine Grieb Richard B Hays Robert W Jenson Joel Marcus R W L Moberly William C Placher Katherine Sonderegger David C Steinmetz Marianne Meyers Thompson Francis Watson

The Identity of Jesus Christ Jimmy Griffith, 2007-02 I have an outstanding God I have a superb Lord I have an all sufficient King who supplies my every need according to His riches and glory He is the force that drives me the power that moves me the inspiration that motivates me the strength that upholds me His name is Jesus Christ He is God manifested in the flesh My name is Jim Griffith and I am an apostolic Christian born again sanctified water baptized and Holy Ghost filled Time would not suffice for me to describe my feelings of every Church but I must say that I love this type an Apostolic United Overcoming Pentecostal Holy Church Currently I am employed by the U S military the service I will not specify but I will discuss the spiritual government of which I am enrolled I am enrolled in the Army of the LORD the Christian hood of God As we press forward into the pages of this book I pray that your heart will be impressed by the Holy Spirit of God that your soul will be uplifted into the heavens that your spirit will be ushered into the living presence of God Jesus Christ is our only hope only life and only salvation may we understand His character quality and identity in order to become partakers of His Eternal Spirit Eternal life This book is formulated alphabetically in order to institute a new spiritual alphabet founded on diverse titles of Jesus Christ There is so much we have not discovered about the Lord Jesus Christ and it is my attempt to present Him to you in a new light and new way Let's go forth overcome Let God Arise Let His enemies be scattered This is who I am and what I desire

The Son of God Charles Lee Irons, Danny Andre Dixon, Dustin R. Smith, 2015-12-04 This is a multi view book in which representatives of differing viewpoints make a positive statement of their case followed by

responses from the others and concluding with a rebuttal by the original author The topic at hand in this book is the identity of Jesus also known as Christology What is the meaning of Jesus s identity as the Son of God Charles Lee Irons argues that the title Son of God denotes his ontological deity from a Trinitarian perspective Danny Andre Dixon and Dustin R Smith challenge this view from two different non Trinitarian viewpoints Smith argues that Jesus is the authentically human Son of God the Davidic Messiah who did not possess a literal preexistence prior to his virgin birth Dixon argues that Jesus is God s preexistent Son in the sense that God gave him life or existence at some undefined point prior to creation The authors engage the topic from the perspective that reverences the authority and inspiration of Scripture as the final arbiter of this debate The literature of early Judaism is also engaged in order to try to understand the extent to which the New Testament s Christology may have been influenced by or operated within the context of Jewish conceptions of divine secondary beings as agents of God

The Identity of Jesus J. J. Bartholomew, 2010-09 The belief that Mary s husband Joseph was not Jesus biological father is common to all who know His story well especially to those who believe in Him However there is something else that must be considered it is this Mary herself was not Jesus biological mother He possessed neither her genes nor her blood This important fact though fundamental to Jesus identity has long been neglected relegated to some dark corner away from the Christian message This book *The Identity of Jesus* brings it into light and deals with related issues including seed of the woman seed of David the deity of Jesus and the meaning of the term the God man In a non traditional yet biblical way *The Identity of Jesus* answers the difficult questions It promises closure to some major controversial issues one of which being the true place of the Blessed Virgin Mary as the mother of Jesus This has the potential to cause both Catholics and Protestants to come to a common conclusion Everyone can profit from *The Identity of Jesus* It brings the believer into a greater consciousness of the reality of who Jesus is and increases the awareness of the value of the sacrifice that was made for salvation The information obtained within its pages can transform a life already committed to Christ into one that exercises greater authority displays more of God s glory and overcomes more adversities For the non believer *The Identity of Jesus* clarifies the misunderstood and makes what once seemed unbelievable believable

The In Touch Study Series Charles F. Stanley, 1999-07-03 Dr Charles Stanley s new series of Bible study guides features insights and wisdom of this beloved pastor and author Small groups and individuals who want a Bible study that s spiritually sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world Each title takes a unique fourfold approach to get the most out of Bible study time emphasizing personal identifications with the Scripture passage recognition of your emotional response reflection of the passage s meaning and application and taking steps to apply what s been learned This is a sound way to explore the Word of God

The Identity of Jesus Christ, Expanded and Updated Edition Hans W. Frei, 2013-11-19 This is a book about Jesus of Nazareth It is not a book about story nor about narrative theology Hans Frei was not a theologian of story or of narrative in any general way and this book is neither about the narrative quality of our

existence and the gospel's relation to that quality nor about the narrative shape of the Scriptures as a whole and the call on us to place ourselves within that narrative. Rather, this is a book about the way in which Jesus of Nazareth's identity is rendered by the Gospels, largely the Synoptic Gospels, particularly the Gospel of Luke and especially in the passion and resurrection sequences by means of a certain kind of narrative. From the Foreword by Mike Higonson, *Your Identity in Christ* Jesus Christ Eke, 2017-04-01. Christian Who are you? Discover the inspiring and empowering truth of your Identity in Christ Jesus, enabling you to live a victorious life as a child of God. The New Testament is full of life-transforming teachings about a Christian's identity. The death and resurrection of Christ did not only pay for our sins but it also purchased our heavenly citizenship. Philippians 3:20 and paved the way for our adoption as children of God. Ephesians 1:5. But what does it really mean to be an adopted child of God? This book explores the practical discipline and challenges that adoption brings as well as encouraging the reader to realigned themselves to the truth of their new royal identity. This book will revolutionise your perception of a Christian life, empowering you to live a victorious life to the glory of God. *The Identity of Jesus Christ in the Church* Michel Anthony Higonson, 1997. *The Identity of Jesus of Nazareth* Carl Ferdinand Howard Henry, 1992.

Revelation, Scripture and Church Richard R. Topping, 2007-01-01. How is God involved with the Bible? And how does God's involvement with the generation of Holy Scripture and its use in the life of the Christian church figure into the human work of Scripture interpretation? This is the central question that this book seeks to address. In critical conversation with the influential hermeneutic programs of James Barr, Paul Ricoeur, and Hans Frei, Topping demonstrates how God's agency has been marginalized in the task of scripture interpretation. Divine involvement with the Bible is bracketed out. Barr is rendered in generic terms. Ricoeur is left implicit. Frei, in these depictions of the hermeneutic field, the result is that each of these hermeneutic programs are less than realist interpretative proposals. Talk of God is eclipsed by the terminal consideration of human realities. Topping argues for the centrality of doctrinal description in a lively theological understanding of Scripture interpretation for the life of the church.

Crowned with Love and Mercy Jennifer Kirkes, 2016-07-19. As women, we live in a culture where importance is placed on image, position, ability, and socio-economic status. The world admires such traits and devalues the lack of them. But the world has it all wrong. We simply cannot derive our worth from these shakeable and changeable conditions. Even our pasts can keep us imprisoned from seeing ourselves through God's eyes and cause us to wrongly determine our worth. In this study, we will go to our unchangeable Creator God and grasp His view of us and His purpose for our lives while releasing wrong mindsets that have kept us from moving forward. Will you accept Jesus' invitation through this study to draw near to Him and find your eternal unshakeable worth and identity in Him?

God's Patience and our Work Ben Fulford, 2024-02-28. In *God's Patience and our Work*, Ben Fulford argues that Hans Frei's theology and ethics offers unheralded but valuable resources for thinking about the social and political engagement of Christian communities in pluralistic societies in light of hope in Jesus Christ. He shows how Frei's project of recovering the conditions

for and shape of a generous orthodoxy runs through his work offering broad flexible vision of Christian identity ethical responsibility and humanistic witness focused in the person and presence of Jesus Christ In dialogue with liberation theologies Fulford draws from Frei an account of divine patience and providence to frame hopeful pragmatic Christian participation in work for dignity justice and penultimate reconciliation rooted in new and deeper contextual reading of his work

The Identity of Christian Morality Ann Marie Mealey, 2016-03-03 This book argues that moral theology has yet to embrace the recommendations of the Second Vatican Council concerning the ways in which it is to be renewed One of the reasons for this is the lack of consensus between theologians regarding the nature content and uniqueness of Christian morality After highlighting the strengths and weaknesses of the so called autonomy and faith ethic schools of thought Mealey argues that there is little dividing them and that in some instances both schools are simply defending one aspect of a hermeneutical dialectic In an attempt to move away from the divisions between proponents of the faith ethic and autonomy positions Mealey enlists the help of the hermeneutical theory of Paul Ricoeur She argues that many of the disagreements arising from the Christian proprium debate can be overcome if scholars look to the possibilities opened up by Ricoeur's hermeneutics of interpretation Mealey also argues that the uniqueness of Christian morality is more adequately explained in terms of a specific identity self that is constantly subject to change and revision in light of many often conflicting moral sources She advocates a move away from attempts to explain the uniqueness of Christian morality in terms of one specific unchanging context motivation norm divine command or value By embracing the possibilities opened up by Ricoeurian hermeneutics Mealey explains how concepts such as revelation tradition orthodoxy and moral conscience may be understood in a hermeneutical way without being deemed sectarian or unorthodox

Identity and Coherence in Christology Paul S. Scott, 2023-09-29 This book explores a number of closely related logical and metaphysical questions relating to the identity of Jesus Christ In particular it considers What does Jesus Christ name and How may Jesus Christ be the subject of both divine and human attributes given their apparent incompatibility The author draws on analytic and scholastic influences and integrates them into a rehabilitation of the neglected habitus theory of the hypostatic union The theory maintains a real identity between Christ and the Word and emphasises the instrumental or possessory dimension of Christ's relationship to his human nature This approach allows for an account of the hypostatic union that is true to the indispensable articles of classical Christology and which satisfies the demands of logical coherence Yet at no point is the mystery of the Incarnational event reduced to the strictures of creaturely comprehension The book will be of particular interest to scholars of Christology analytic theology and the philosophy of religion

Paul and the Creation of Christian Identity William S. Campbell, 2008-04-03 In the dominant interpretation of the Antioch incident Paul is viewed as separating from Peter and Jewish Christianity to lead his own independent mission which was eventually to triumph in the creation of a church with a gentile identity Paul's gentile mission however represented only one strand of the Christ movement but has been

universalized to signify the whole The consequence of this view of Paul is that the earliest diversity in which he operated and which he affirmed has been anachronistically diminished almost to the point of obliteration There is little recognition of the Jewish form of Christianity and that Paul by and large related positively to it as evidenced in Romans 14 15 Here Paul acknowledges Jewish identity as an abiding reality rather than as a temporary and weak form of faith in Christ This book argues that diversity in Christ was fundamental to Paul and that particularly in his ethical guidance this received recognition Paul's relation to Judaism is best understood not as a reaction to his former faith but as a transformation resulting from his vision of Christ In this the past is not obliterated but transformed and thus continuity is maintained so that the identity of Christianity is neither that of a new religion nor of a Jesus cult In Christ the past is reconfigured and thus the diversity of humanity continues within the church which can celebrate the richness of differing identities under the Lordship of Christ

The Imago Dei as Human Identity Ryan S. Peterson, 2016-01-28 Theologians and Old Testament scholars have been at odds with respect to the best interpretation of the imago Dei Theologians have preferred substantialistic e g image as soul or mind or relational interpretations e g image as relational personhood and Old Testament scholars have preferred functional interpretations e g image as kingly dominion The disagreements revolve around a number of exegetical questions How do we best read Genesis 1 in its literary historical and cultural contexts How should it be read theologically How should we read Genesis 1 as a canonical text This book charts a path through these disagreements by offering a dogmatically coherent and exegetically sound canonical interpretation of the image of God Peterson argues that the fundamental claim of Genesis 1 26 28 is that humanity is created to image God actively in the world Made in the image of God is an identity claim As such it tells us about humanity's relationship with God and the rest of creation what humanity does in the world and what humanity is to become Understanding the imago Dei as human identity has the further advantage of illuminating humanity's ontology Canonically knowledge of the contours and purpose of human existence develops alongside God's self revelation Tracing this development Peterson demonstrates the coherence of the OT and NT texts that refer to the image of God In the NT Jesus Christ is understood as the realization of God's image in the world and therefore the fulfillment of the description of humanity's identity in Genesis 1 In addition to its specific focus on resolving interdisciplinary tensions for Christian interpretation of the imago Dei the argument of the book has important implications for ethics the doctrine of sin and the doctrine of revelation

The Identity of Antichrist Harris Kakoulides , Mr Kakoulides shows through scripture early church Fathers writings and Roman Catholic sources to show the identity of Antichrist is popery **The Identity of God's People and the Paradox of Hebrews** Ole Jakob Filtvedt, 2015-08-03 Does the letter to the Hebrews display Jewish or Christian identity Ole Jakob Filtvedt shows that it takes up a traditional Jewish category namely membership in God's people and proposes it for its audience as a collective identity but also significantly reshapes that category in light of belief in Jesus Publisher **The Revelation of Jesus Christ** Onório Cutane, 2021-09-24 THE REVELATION OF JESUS CHRIST WHO IS

JESUS CHRIST IDENTITY MANDATE AND MISSION When we talk about Jesus we are always unanimous in answering that Jesus Christ is the Savior is the son of God or God with us A habit inherited from the Christian culture of repeating concepts that are transmitted to us about Jesus Generally the definition of Jesus Christ is made in a laconic and habitual way of seeing this character that runs through our history This entity has settled in our history and that his image does not wear out over time That is it doesn't lose value He marks our culture and time is tributary to his coming into the world a fundamental milestone for humanity before Christ B C and after Christ A D His influence on humanity is incontestable and historians and archeologists remain attesting to his passage on earth The historical Jesus really and truly existed in physical form that is humanly walked the earth of Israel Moreover this historical Jesus is divine for he existed long before his incarnation and his manifestation on earth He is more than a human being He is God and He lives to this day In this beautiful and revealing work the man of God Apostle Onorio Cutane brings us profound and necessary revelations for the foundation of our faith strengthening our communion with God and full knowledge of the identity mission and mandate of Jesus Christ This work is an epiphany that will help you grow spiritually and dispel your doubts about the identity of Jesus Christ It presents Jesus on three levels of revelation to humanity pre incarnation incarnation and post resurrection

Unveiling the Magic of Words: A Report on "**The Identity Of Jesus Christ**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring.
