The electric, bodacious, extraordinary life of Jimi Hendrix as told through text, rare photographs, removable documents, reproductions of memorabilia, and a 70-minute audio CD.

*Jimi Hendrix: An Illustrated Experience* illuminates the life of the musical icon who pioneered a new generation in rock and roll with his explosive electric style. With exclusive access to the private family archives, co-authors Jamie Hendrix and John McDermott tell the vibrant and unique story of Jimi's life, from his formative years in London while Seattle through his short-lived days in the eye of a famous and dedicated public to the aftermath of his sudden death and the wake of his legacy.

An indispensable addition to any music lover's library, the book is a truly immersive experience, featuring reproductions of drawings from Jimi's childhood, his own handwritten song lyrics, and never before seen archival photographs. In addition to 20 interactive features, the book includes a 70-minute audio CD with interviews and commercially released recordings of live concert music and a *Flower Power* jam session. While listening to Jimi rock out around riffs, while holding pieces of the ephemera that chronicle his life, you will experience *Jimi Hendrix* the way you were meant to, in full color.

JAMIE L. HENDRIX, Jimi's sister, heads the family enterprise of *Experience Hendrix* and *Authentic Hendrix* as Chief Executive Officer and President.

JOHN McDERMOTT has served as Creative Manager for *Experience Hendrix* since 1990, and is the author of two books on Jimi Hendrix.
