The Implementation Of Quotas Latin American Experiences International Idea Quota Reports Series:

Women, Quotas and Politics Drude Dahlerup, 2013-05-13 This is the first world wide comparative study of the controversial new trends of gender quotas now emerging in global politics presenting a comprehensive overview of changes in women s parliamentary representation across the world This is important reading for all those working to increase women s influence in politics because it scrutinizes under what circumstances gender quotas do increase women s representation and why they sometimes fail These distinguished international scholars also show how gender balance in politics has become important to a nation s international image and why quotas are being introduced in many post conflict countries They present key case studies of Afghanistan Iraq Argentina Sweden South Africa Belgium covering almost all major regions of the world Latin America Africa the Arab world South Asia the Balkans The Nordic countries and Europe New Zealand Australia and the USA and Rwanda which in 2003 unexpectedly surpassed Sweden as the number one country in the world in terms of women s parliamentary representation Using a comparative perspective this book contains analyses of the discursive controversies around quotas it gives an overview over various types of quotas in use from candidate quotas to reserved seat systems and it throws light over the troublesome implementation process When do gender quotas lead to actual increase in the number of women parliament When are quotas merely a symbolic gesture What does it imply to be elected as a quota woman Tackling these and many more key questions this is a major new contribution to the field Making an important contribution to our knowledge of gender politics worldwide this book will be of interest to NGOs students and scholars of democracy policy making comparative politics and gender studies

The Implementation of Quotas ,2003 Findings from the 2003 workshop held by International IDEA in Lima Peru to discuss the implementation of quotas in Latin America are examined in this report Aiming to increase awareness of women s political representation as well as their involvement in decision making bodies these findings explore the use of gender quotas in Bolivia Costa Rica Mexico and Peru When where and how gender quotas have been successfully implemented is examined as well as the challenges controversies and consequences of enforcement Strategies employed for gender equality in government in other non Latin American countries with different political systems are also discussed

Quebec Women and Legislative Representation Manon Tremblay, 2010-07-01 Quebec women have had the right to vote and run for office in provincial and federal forums for at least six decades yet they continue to occupy a minority of seats in Quebec s National Assembly and in Canada s House of Commons and Senate To explain this situation Women and Parliamentary Representation in Quebec examines women s engagement in politics from 1791 to the present It begins by tracing the path that led to women achieving the right to vote and run for office and then draws on statistics and interviews with women senators and members of Parliament to complete an in depth portrait of Quebec women s under representation and its main causes political parties and the voting system This innovative account not only documents the significant democratic deficit in Canada s parliamentary systems it also outlines strategies to improve

women's access to legislative representation in Canada and elsewhere Women's Representation in African Politics Zainab Monisola Olaitan, 2024-12-11 Does the election of more and more women into political offices mean that women's interests will be better protected This question forms the background upon which this book is written as it forms a timely intervention concerning the clamour for increased women's representation in African politics The book examines the relationship between gender quotas and gender focused legislative policy outcomes in the national Parliaments of South Africa and Botswana By investigating the utility of gender quotas to ensure the substantive representation of women in African politics the book engages the assumption that increased women's political participation will automatically improve the qualitative well being of African women The book is intended for both academic and non academic audiences with differing purposes It contributes to scholarly debates on the transcending relevance of quotas beyond numbers For non academics it provides opportunities to engage gender quotas as a policy tool to ensure the qualitative well being of African women *The Implementation of Quotas*, 2003 Findings from the 2003 workshop held by International IDEA in Lima Peru to discuss the implementation of quotas in Latin America are examined in this report Aiming to increase awareness of women's political representation as well as their involvement in decision making bodies these findings explore the use of gender quotas in Bolivia Costa Rica Mexico and Peru When where and how gender quotas have been successfully implemented is examined as well as the challenges controversies and consequences of enforcement Strategies employed for gender equality in government in other non Latin American countries with different political systems are also discussed *The Implementation of Quotas* Julie Ballington, 2004 This report examines women's political representation on the African continent and shows how quotas have contributed to increasing their access to political power The documented evidence from Africa is very encouraging more than 20 countries on the continent either have legislated quotas or have political parties that have adopted them voluntarily This report details the different quota types that are being implemented in different political contexts in 17 countries including the Democratic Republic of the Congo Egypt Morocco Mozambique Namibia Rwanda Senegal South Africa Tanzania and Uganda **The Micro-politics of Microcredit** Mohammad Jasim Uddin, 2015-05-01 Microcredit has been seen in recent decades as having great potential for aiding development in poor developing countries with Bangladesh being one of the countries which has pioneered microcredit and implemented it most widely This book based on extensive original research explores how microcredit works in practice and assesses its effectiveness It discusses how microcredit usually channelled through women is often passed to the men of the family a practice disapproved of by some but regarded as acceptable by borrowers who have a communal approach to debt rather than viewing debt as something held by single individuals The book demonstrates how the rules around microcredit are often seen as irksome by the borrowers how lenders often charge high rates of interest and work primarily to preserve their institutions thereby going against the spirit of the microcredit movement and how borrowers often end up on a downward spiral deeper and deeper in debt Overall the book argues that

although microcredit does much good it also has many drawbacks

Women, Gender, and Politics Mona Lena

Krook, Sarah Childs, 2010-03-01 *Women Gender and Politics* brings together both classic and recent readings on central topics in the study of gender and politics and places an emphasis on comparing developed and developing countries Genuinely international in its focus the book is divided into six sections to reflect the range of research in the subfield 1 women and social movements 2 women and political parties 3 women gender and elections 4 women gender and political representation 5 women gender and social policies and 6 women gender and the state Each section serves as an introduction to general trends in thinking about women and politics and the readings capture the ways that research has developed both thematically and chronologically in all of the six broad areas The volume s innovative design global approach and comprehensive coverage make it an ideal teaching book and a valuable resource for students and scholars throughout the world *Québécoises et représentation parlementaire* Manon Tremblay, 2024-05-29T00:00:00-04:00 Cet ouvrage traite d'une idée et d'un problème la représentation politique qui constitue une idée charnière aux sciences politiques une idée toutefois viciée par un problème au fondement de sa conceptualisation même soit celui de l'exclusion des femmes de la politique

Resistance to Gender Quotas in Latin America Malu A. C. Gatto, 2025-03-12 This is an open access title available under the terms of a CC BY NC ND 4.0 International license It is free to read at Oxford Academic and offered as a free PDF download from OUP and selected open access locations Politicians want to stay in power Because winners attain office under a given set of electoral rules any change to these rules is puzzling When electoral reform does take place it is expected that changes will better serve those already in power Perhaps more than any other type of electoral rule gender quotas are explicit about who is set to win and lose from their adoption although they limit the space for men the clear majority of incumbents they are nevertheless present in every region of the world But how has this happened In other words under what conditions are men legislators more likely to support the adoption of gender quotas *Resistance to Gender Quotas in Latin America* is the first book to closely trace legislators behavior towards gender quotas since the policy made its way into plenary debates It reconstructs three decades of power struggles over quota policymaking in Latin America and argues that men legislators are more likely to support gender quotas when opposition to the policy could have an impact on their future career prospects The book draws on a wealth of experimental quantitative and qualitative data to show how an institution that explicitly seeks to replace incumbents has successfully spread through Latin America despite resistance from those incumbents Malu Gatto explores the individual level characteristics that shape legislators resistance towards gender quotas and provides an overview of the gradual processes through which initially weak quotas that did not impose threats to the status quo became policies that radically transformed the gender composition of legislatures Finally the book also explores case studies of quota policymaking in Brazil Costa Rica and Chile and shows that incumbents self preservation instincts shape their behaviors towards quotas delaying the timing of quota adoption weakening quota designs and lengthening quota

policymaking processes **The Oxford Handbook of Comparative Constitutional Law** Michel Rosenfeld, András Sajó, 2012-05-17 A comprehensive reference resource on comparative constitutional law this title examines the history and development of the discipline its core concepts institutions rights and emerging trends **The New Politics of Gender Equality** Judith Squires, 2007-09-11 During the past decade governments around the globe have introduced institutional mechanisms to promote the advancement of women including measures to increase women s political participation rates and to incorporate women s interests into policy making Why have they done so How successful have these initiatives been What are the emerging agendas facing gender equality advocates now In *The New Politics of Gender Equality* Judith Squires examines the origins evolution and key features of three strategies that have been employed across the world in pursuit of gender equality quotas policy agencies and gender mainstreaming The author critically examines each strategy to see how far they transform political institutions and agendas and to what extent they lead rather to the assimilation of women in male defined structures Squires argues that a multi pronged approach drawing on democratic rather than technocratic strategies offers the best potential for advancing gender equality She highlights too the limitations of approaches that ignore inequalities among women and the challenges of developing equality initiatives to address multiple and cross cutting inequalities between groups Judith Squires is Professor of Political Theory University of Bristol She has written researched and published widely in the field of gender politics and gender equality Governing Women Anne Marie Goetz, 2009-01-13 Using case studies from around the world this volume argues that good governance from a gender perspective requires more than just additional women in politics it requires fundamental incentive changes to orient public action and policy to support gender equality Negotiating Gender, Policy and Politics in the Caribbean Gabrielle Hosein, Jane Parpart, 2016-12-22 Have efforts to advance women s and men s commitments to democratic governance women s rights and gender equality been successful in the Caribbean Do they reflect local as well as international concerns and visions of gender equality This edited collection answers these questions by focusing on women s political leadership electoral quota systems national gender policies and transformational leadership as four feminist strategies that aim to engender democracy and citizenship It offers a rich historical comparative and ethnographic perspective on the lived experience of these strategies through case studies of Trinidad and Tobago Guyana Dominica Jamaica and St Lucia Drawing on national policy debates election campaigns state officials solidarities men s gender consciousness and women leaders life histories across these five Caribbean countries the collection assesses the successes of transnational feminist efforts the resilience of masculinist resistances the limits of gender mainstreaming and the possibilities for gender justice in and beyond the Caribbean today **Democratic Political Orientations in Emerging African Democracies** Virginia Parish Beard, 2006 **Mujeres y Política en América Latina , Women and Power in Africa** Leonardo Rafael Arriola, Martha Johnson, Melanie L. Phillips, 2021 *Women and Power in Africa* examines women s experiences in African politics as aspirants to public office as candidates in election campaigns and

as elected representatives Women, Government and Policy Making in OECD Countries Fostering Diversity for Inclusive Growth OECD,2014-04-03 This book provides comparative data and policy benchmarks on women s access to public leadership and inclusive gender responsive policy making across OECD countries Shattered, Cracked, Or Firmly Intact? Farida Jalalzai,2013-03-28 How do men s and women s paths to political office differ Once in office are women s powers more constrained than those of men The number of women in executive leadership positions has grown substantially over the past five decades and women now govern in vastly different contexts around the world But their climbs to such positions don t necessarily correspond with social status and the existence of gender equity In *Shattered Cracked or Firmly Intact* Farida Jalalzai outlines important patterns related to women executive s paths powers and potential impacts In doing so she combines qualitative and quantitative analysis and explores both contexts in which women successfully gained executive power and those in which they did not The glass ceiling has truly shattered in Finland where to date three different women have come to executive power only cracked in the United Kingdom with Margaret Thatcher as the only example of a female prime minister and remains firmly intact in the United States While women appear to have made substantial gains they still face many obstacles in their pursuit of national executive office Women compared to their male counterparts more often ascend to relatively weak posts and gain offices through appointment as opposed to popular election When dominant women presidents do rise through popular vote they still almost always hail from political families and from within unstable systems Jalalzai asserts the importance of institutional features in contributing positive representational effects for women national leaders Her analysis offers both a broad understanding of global dynamics of executive power as well as particulars about individual women leaders from every region of the globe over the past fifty years Viewing gender as embedded within institutions and processes this book provides an unprecedented and comprehensive view of the complex contradictory and multifaceted dimensions of women s national leadership **European Journal of Political Research** ,2007
