**Beyond the Victorian/ Modernist Divide**  
Anne-Florence Gillard-Estrada, Anne Besnault-Levita, 2018-03-08 Beyond the Victorian Modernist Divide contributes to a new phase in the Victorian modern debate of traditional periodization through the perspective lens of literature and the visual arts Breaking away from conventionally fixed discourses and dichotomies this book utilizes an interdisciplinary approach to examine the existence of overlaps and unexplored continuities between the Victorians the post Victorians and the modernists including the fields of music architecture design science and social life Furthermore the book remaps the cultural history of two critical meta narratives and their interdependence the myth of high modernism and the myth of Victorianism by building on recent scholarly work and addressing the question of the turn of the century break theory with a new set of arguments and contributions The essays presented within acknowledge the existence of a break theory in modernism but question this theory by re contextualising it while uncovering long masked continuities between artists genres and forms across the divide The collection offers a new approach to modernism Edwardianism and Victorianism utilizing the cross fertilisation of interdisciplinary approaches and by combining contributions that look forward from the Victorians with other contributions that look backward from the modernists While literary modernism and its vexed relationships with the nineteenth century is a central subject of the book further analysis includes artistic discourses and theories stemming from history the visual arts science music and design Each chapter offers a fresh interpretation of individual artists navigating away from characteristic classifications of works authors and cultural phenomena Ultimately the volume argues that though periodization and genre categories play substantial roles in this divide it is also essential to be critically aware of the way cultural history has been and continues to be constructed
