The Industrial Archaeology Of Scotland 1 The Lowlands And Borders:

British Breweries Lynn Pearson,1999-07-01 Covering the history of the architecture of breweries this account ranges from the country house brewhouse of the 18th century to the great breweries of Georgian and Victorian England which reached their ornate peak in the 1880s and 1890s It deals with the practical considerations that brewers architects and engineers had to take into account as well as the architectural styles and the decorative features employed The author has also included a gazetteer of brewery architecture

The Industrial Archaeology of Scotland: The lowlands and the borders John R. Hume,1976

Industrial Archaeology Marilyn Palmer,2012-10-12 Industrial Archaeology uses the techniques of mainstream archaeological excavation analysis and interpretation to present an enlightening picture of industrial society Technology and heritage have until recently been the focal points of study in industrialization Industrial Archaeology sets out a coherent methodology for the discipline which expands on and extends beyond the purely functional analysis of industrial landscapes structures and artefacts to a broader consideration of their cultural meaning and value The authors examine for example the social context of industrialization including the effect of new means of production on working patterns diet and health

The Archaeology of Industrial Scotland Lisbeth Margaret Thoms,1977 Scottish Society, 1707-1830 Christopher A. Whatley,2000 This book challenges conventional wisdom and provides new insights into Scottish social and economic history Christopher A Whatley argues that the Union of 1707 was vital for Scottish success but in ways which have hitherto been overlooked He proposes that the central place of Jacobitism in the historiography of the period should be revised Comprehensive in its coverage the book is based not only on an exhaustive reading of secondary material but also incorporates a wealth of new evidence from previously little used or unused primary sources
