Blacks in Topeka Kansas, 1865-1915 Thomas C. Cox,1999-03-01 Tracing the development of a black community in the trans Mississippi West Blacks in Topeka Kansas 1865 1915 is a thorough insightful examination of an area of black history that has received at best scant attention Thomas C Cox probes in this study the political social and economic standing of blacks and the growth of black institutions in the Topeka area from early settlement during the territorial period through the rise of an urban Topeka in the late nineteenth and early twentieth centuries Pivotal In the development of the black community was the Great Exodus of the 1870s the massive migration of southern blacks that brought the community new leaders businessmen and skilled laborers and provided the impetus for establishment of institutions and elaborate social structures Assessing the impact of the Exodus on social stratification and on the destruction of power Cox closely examines the establishment of political and social clubs the founding of churches the rise of the black press including the influential Colored Citizen and Plaindealer and the emergence of such community leaders a John Wright William Eagle son and James Guy The racial discrimination that permeated Topeka and intensified in the wake of the Great Exodus soon brought about organized protest by the black community to advance the causes of reform and social progress As this movement grew in strength it became a powerful bond that overcame divisions within black Topeka and gave rise to a cohesive community grounded in strong local institutions through which blacks could challenge city state and national attitudes and events In the case of Topeka which in many ways was exceptional discrimination helped to create a significant degree of self determination With relevance to American social history in general Thomas Cox s Blacks in Topeka Kansas 1865 1915 fully utilizes the methods and materials of social history including census analysis and group biography to conclusively demonstrate the significance of Topeka in the history of race relations and the growth of black political and nonpolitical institutions

Transformations in Africana Studies Adebayo Oyebadde,2023-02-07 This book introduces readers to the rich discipline of Africana Studies reflecting on how it has developed over the last fifty years as an intellectual enterprise for knowledge production about Africa and the African diaspora The African world has always had a wealth of indigenous knowledge systems but for the greater part of the scholarly history hegemonic Western epistemologies have

denied the authenticity of African indigenous ways of knowing The post colonial era has seen steady and deliberate efforts to expand the frontiers of knowledge about black people and their societies and to Africanize such bodies of knowledge in all fields of human endeavor This book reflects on how the multidisciplinary discipline of Africana Studies has transformed and reinvented itself as it has sought to advance knowledge about the African world The contributors consider the foundations of the discipline its key theories and methods of knowledge production and how it interacts with popular culture Women s Studies and other area studies such as Ethnic and Afro Latinx Studies Bringing together rich insights from across history religion literature art sociology and philosophy this book will be an important read for students and researchers of Africa and Africana Studies

The Rise of the Social Gospel in American Protestantism, 1865-1915 Charles Howard Hopkins,1967 This is the first adequate history of the uniquely American movement toward the socializing and ethicizing of Protestantism which is known as the social gospel Many people believe that social Christianity was accomplished at the opening of the twentieth century by a handful of clergymen but Mr Hopkins shows that it goes back to the close of the Civil War and that its prophets are legion It came into being as a result of modern industrial society and scientific thought in the half century between the Civil War and the First World War Mr Hopkins describes the movement from its beginning until the present when the social gospel has become a factor of permanent significance in the thinking of Christendom **1865-1915**
