Krishnamurti Peter Michel,1996-01-01 Taking his cue from the teacher himself Peter Michel in this first independent analysis of the most elusive spiritual teacher ever known has taken an investigative and exploratory stance rather than the usual pronounciatory one A must for any philosophical or theosophical collection PARUL GUPTA *Music and Its Secret Influence* Cyril Scott,2013-01-23 The role of music in the evolution of humanity Reveals how a hierarchy of initiates evolved spiritual intelligences and devas actively influenced the musical compositions of geniuses to transmit great truths through music Explores the influence of the classical composers Bach Handel Beethoven Mendelssohn Chopin Schumann Wagner and Strauss from Beethoven s influence on the creation of psychoanalysis to Chopin s musical influence on the emancipation of women Composer and author Cyril Scott explores the role of music in the evolution of humanity and shows how it has pushed human evolution forward He explains that music has a profound effect on history morals and culture and is a more potent force in the molding of character than religious creeds or moral philosophies Whereas mediocre musicians reflect only their own times inspired ones help determine the character of the future Exploring the works of classical composers such as Bach Handel Beethoven Mendelssohn Schumann Chopin Wagner and Strauss Scott reveals how their compositions were actively influenced by a hierarchy of initiates evolved spiritual intelligences and devas to make the way fertile for human spiritual evolution Scott explains how humans are composed not only of a physical body emotional body and a mental body but also a sensation body that acts as the bridge between the physical realm and the hierarchy of initiates Scott shows how the music of great composers affects not only those listening but also society as a whole from Beethoven s influence on the creation of psychoanalysis to Chopin s musical influence on the emancipation of women The Constitution of Shambhala Bodo Balsys,2017-07-27 The Constitution of Shambhala The subject of Shambhala the planetary Head centre or theistically the kingdom of God has been previously veiled in such texts as the K lachakra Tantra but the true esoteric lore has only been

provided gradually first tentatively through the works of Blavatsky and then in greater detail via Alice Bailey's writings. This volume continues along this vein presenting far more detail concerning this kingdom and also of the Hierarchy of enlightened beings, the planetary Heart centre than hitherto revealed. A considerable compendium of revelation and esoteric knowledge is presented for the world's esotericists to digest and the enlightened to expand upon. The Mirror of Relationship J Krishnamurti, 2022-09-09. The answer to the question 'What are you Seeking' is simple: 'We want to find truth, God, everlasting peace.' The real question says Krishnamurti is 'Why do you seek at all?' Knowing conflict, repression, self-doubt and fear as consistent companions, we naturally wish for them to come to an end. So begins the search for relief, the search for everlasting peace through ideas, religions, self-help, self-analysis etc. and we think of this search as a right action towards finding what we are looking for. But do we know what we are looking for or are we merely seeking relief from what is happening presently? Are we seeking at that point only an idea, the supposed opposite of the emotion that we are experiencing now? It is the search that maintains the present emotion and its projected opposite in a state of mutually co-existent conflict inherently. Adepts of the Five Elements David Anrias, 2008-01-01. This remarkable book will be welcomed by all those interested in the arcane and esoteric. David Anrias shows how the four elements, earth, water, air and fire, control varying degrees of the physical, emotional, mental and spiritual consciousness in all of us. He also sheds light on certain adepts who specialize in the transmutation of the effects these elements have on humanity. **Children of the New Age** Steven Sutcliffe, 2003. As the first true social history of New Age culture, this presents an unrivalled overview of the diverse varieties of New Age belief and practise from the 1930s to the present day. **The Vision of the Nazarene** Cyril Scott, 2001-01-01. The author of the Initiate Trilogy reveals Jesus of Nazareth in a new light and gives the key to many of his dark sayings and teachings. Who was Jesus? The Indians say He was a great yogi, the occultists and Theosophists say He was a great initiate of the arcane science, while Spiritualists regard Him as a great medium or a very high guide. In this remarkable book, Cyril Scott reveals Jesus of Nazareth in a light unknown and unsuspected by many, providing the key to the dark sayings and subtle teachings of Jesus that have been misinterpreted and misunderstood by Christianity throughout the ages. While many people have interpreted the exoteric teachings of the Bible over the years, Scott reveals some of the more esoteric teachings in his *The Vision of the Nazarene*. Rose Allatini: A Woman Writer George Simmers, 2019. Rose Allatini is remembered today for writing *Despised and Rejected*, the only novel to be prosecuted under the Defence of the Realm Act during the Great War as liable to prejudice recruiting in His Majesty's forces. The book's positive depiction of homosexuals and conscientious objectors alarmed the wartime authorities. But Rose Allatini was also the author, under several disguises, of nearly forty other novels over seven decades. This monograph sets out to dispel the myth that these other books were no more than romantic pot-boilers. The novels' themes include critiques of the position of women in London and Vienna at the start of the twentieth century, an exploration of the experience of mental illness, warnings of the rise of Nazism in the thirties, Austria, depictions of the experiences

of refugees in London during the Second World War and speculations about spiritual healing Rose Allatini was a novelist who went where many others did not care to venture **The Publishers Weekly** ,1945-03
