The Interaction Of Economics And Foreign Policy:

The Interaction of Economics and Foreign Policy Kenyon Public Affairs Forum,1975 **The Interaction of Economics and Foreign Policy** Robert A. Bauer,1975 **United States Foreign Economic Policy-making** Kenneth A. Gold,2019-07-19 This book develops an analytical framework for understanding United States foreign agricultural policy through a state interest approach and describes and analyses seven cases of food policy decisions through this perspective which shows that decision makers sought on most occasions to utilise US food resources to accomplish foreign policy objectives A fundamental aspect of the statist approach is the recognition that those sectors representing the interest of the state will inevitably confront other actors in the policy process who are likely pursuing conflicting objectives This book looks at contemporary circumstances in the formulation of US agricultural policy in particular those alterations that occurred beginning in 1972 It offers an analysis of the nature of foreign economic policy and outlines the re emergence of economics as an important component of US foreign policy and an analysis of the concept of food power **Soviet Foreign Policy in a Changing World** Robbin F. Laird,Erik P. Hoffmann,2021-03-22 No detailed description available for Soviet Foreign Policy in a Changing World **Global Inequality and American Foreign Policy in the 1970s** Michael Franczak,2022-06-15 In *Global Inequality and American Foreign Policy in the 1970s* Michael Franczak demonstrates how Third World solidarity around the New International Economic Order NIEO forced US presidents from Richard Nixon to Ronald Reagan to consolidate American hegemony over an international economic order under attack abroad and lacking support at home The goal of the nations that supported NIEO was to negotiate a redistribution of money and power from the global North to the global South Their weapon was control over the major commodities in particular oil that undergirded the prosperity of the United States and Europe after World War II Using newly available archival sources as well as interviews with key administration officials Franczak reveals how the NIEO and North South dialogue negotiations brought global inequality to the forefront of US national security The challenges posed by NIEO became an inflection point for some of the greatest economic political and moral crises of 1970s America including the end of golden age liberalism and the return of the market the splintering of the Democratic Party and the building of the Reagan coalition and the rise of human rights in US foreign policy in the wake of the Vietnam War The policy debates and decisions toward the NIEO were pivotal moments in the histories of three ideological trends neoliberalism neoconservatism and human rights that formed the core of America s post Cold War foreign policy **The Ashgate Research Companion to US Foreign Policy** Robert J. Pauly,Jr.,2016-03-23 Examining the past present and future formulation and implementation of US foreign policy this research companion provides a range of interpretations of the topic so that the reader comes away with a clear knowledge of the academic and policy debates that define the field The volume focuses on American foreign policy from both historical and political science analytical perspectives and divides into three sections *Economics and Foreign Policy* Mark R.
