continue to inspire new work today **A Dictionary of Writers and their Works** Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer s nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication **The Levanter** Eric Ambler, 2012-12-11 Winner of the Crime Writers Association Gold Dagger Award Syria 1970 Michael Howell has kept his family s Middle Eastern business enterprises going through a decade of takeovers war and revolution thanks in part to his office manager Teresa who is also his mistress One late night at the office they discover men working overtime producing unauthorized bombs for the Palestine Action Force Worse this guerrilla terrorist group is not deterred by their discovery rather they will enlist Howell and Teresa s unwilling help in carrying out their plan **Eric Ambler's Novels** Robert Lance Snyder, 2019-12-30 Eric Ambler s first six novels released between 1936 and 1940 quickly established his reputation as a master craftsman of intrigue and espionage narratives Far less often discussed are the twelve Cold War novels he published after an eleven year hiatus as a screenwriter between 1951 and 1981 This study argues that his entire corpus manifests late modernism s impulse toward a broadly social political and cultural critique of the times Ambler s fiction from the mid 1950s onward is also remarkable for its ludic turn as he assesses the self deceptions of an increasingly bureaucratized and media focused world blind to its own follies In these later works can be seen elements of what has come to be known as postmodernism though in his commitment to chronicling the juggernaut of modernity he remains a uniquely independent witness of what is now being called the long twentieth century **1000 Questions About Canada** John Robert Colombo, 2001-06-01 What are snow worms Are there more moose than people in the Yukon What is the meaning of the word Niagara Where will you find the world s largest perogy Does Elvis have a street in Ottawa named after him What was Pierre Elliott Trudeau s favourite snack food Which province was the last to shift traffic from the left hand side of the road to the right These are some of the questions that are asked and answered in 1000 Questions About Canada Every reader with an ounce or a gram of curiosity will find these intriguing questions and thoughtful answers fascinating to read and ponder This book is for people who love curious lore and who want to know more about the country in which they live **The Siege of the Villa Lipp** Eric Ambler, 2012-12-11 The Able Criminal as defined by noted criminologist Frits Krom strikes with no discernible pattern or method and flies below the radar of crime syndicates and law enforcement agencies alike He is virtually uncatchable but Krom is willing to try He knows that Paul Firman the director of an ostensibly legitimate international investment firm is in fact an expert in tax avoidance and a textbook Able Criminal Surprisingly Firman agrees to submit to an interview with Krom and his two colleagues at his

secluded villa on the French Riviera He is more than a little curious about what they really want from him and confident he can avoid implicating himself But it soon becomes evident that the host and his guests are under siege by a third party one whose motives and violent intentions are unclear If they are to survive the criminal and the criminologists will have to band together The Siege of the Villa Lipp is a classic Eric Ambler tale of suspense in which a man thrust into a high stakes situation far outside of his usual expertise finds himself at the mercy of forces beyond his control
