Educational Research Chester William Harris, 1960 Information Technology and Constructivism in Higher Education: Progressive Learning Frameworks Payne, Carla R., 2009-05-31 This volume is grounded in the thesis that information technology may offer the only viable avenue to the implementation of constructivist and progressive educational principles in higher education and that the numerous efforts now under way to realize these principles deserve examination and evaluation Provided by publisher **English as a Medium of Instruction in South Asia** Ram Ashish Giri, Amol

Padwad, Mian Md. Naushaad Kabir, 2023-10-13 This book examines the English mania phenomenon and the complex circumstances of adopting English Medium Instruction EMI by South Asian education systems and the effect of an uneven distribution of resources on the already under resourced countries in the region Chapters explore linguistic social and economic injustices by using an analytic critical approach to examinations of the place role provisions and practices of EMI in specific English language teaching ELT contexts The book consequently advocates for the wholesale reform of a system which the authors argue is unjust Ultimately the book explores socio cultural poststructuralist and English linguistic

imperialism theories to contribute a South Asian perspective on the controversy surrounding EMI and examine its role within a wider global discourse on equity and social justice Critically examining the spread of English in South Asia this book will be of relevance to researchers scholars and postgraduate students in applied linguistics language education TESOL and sociolinguistics *Current Catalog* National Library of Medicine (U.S.),1983 First multi year cumulation covers six years 1965 70 **New International Encyclopedia.
