The International Monetary Tangle Myths And Realities:

The International Monetary Tangle Guillaume Guindey,1977-01-01 The International Monetary Tangle Guillaume Guindey,2017-07-05 Originally published in 1977 The International Monetary Tangle presents a translation of Guindey s report on international monetary issues Guindey examines the Bretton Woods System which lasted until 1971 as well as the new monetary regime that took its place and discusses the key debates that came along with it Guindey takes a historical angle in this study and focuses on what lessons can be learnt from the past in terms of international money management This title will be of interest to students of Economics **International Monetary Cooperation Since Bretton Woods**

Mr.Harold James,1996-06-15 This comprehensive history published jointly by the IMF and Oxford University Press was written to mark the fiftieth anniversary of international monetary cooperation From the establishment of the postwar international monetary system in 1944 to how the framework functions in a vastly expanded world economy historian Harol James describes the tensions negotiations challenges and progress of international monetary cooperation This narrative offers a global perspective on the events and decisions that have shaped the world economy during the past fifty years
