Meet Me For Murder Don Lasser, Ronald E. Bowers, 2014-11-14 The true story of the predator who lured young women with promises of fame from the national bestselling author of the riveting *Honeymoon with a Killer*. Publishers Weekly: Hopeful beauty Kristi Johnson, twenty-one, thought she was auditioning to model for a James Bond promotion. Following the directions of the man who approached her in a shopping mall, she drove to a mansion in the Hollywood Hills with a black mini skirt and stiletto heels. Weeks later, Kristi's body was finally photographed by the county coroner. Her partially clad body had been found on a slope off Skyline Drive. Not one iota of forensic evidence was recovered. All investigators had was another Hollywood dream gone nightmare. But what seemed like a dead end soon found its lucky break. Responding to news reports about Kristi's murder, calls from women came pouring in, all of them victims of bogus modeling gigs. One composite sketch later, Victor Paleologus, forty, already on parole for sexual assault, was taken into custody. Halfway through his sensational trial, Paleologus stunned everyone by entering a guilty plea and was sentenced to twenty-five years to life.

The Playground Murders Lesley Thomson, 2019-04-04 A class above IAN RANKIN. Forty years ago, in the dark of the playground, two children's lives were changed for ever. The case of six-year-old Sarah Ferris, killed in an empty playground, haunted Hammersmith police for decades. Not just because the victim would never see her seventh birthday. But because solving the case meant arresting another child on suspicion of Sarah's murder. Now, forty years later, cleaner turned detective Stella Darnell has unearthed new information about Sarah and her killer. As Stella pieces together the truth about what happened all those years ago, she is drawn into a story of jealousy, betrayal and the end of innocence. A story that has not yet reached its end. One of the most original characters in British crime fiction. SUNDAY TIMES Thomson creates a rich and sinister world that is utterly unique. Gloriously well written. WILLIAM SHAW
