Excessively Obsessed Natasha Oakley, 2024-05-09 Modern and practical business lessons from Natasha Oakley co founder of Monday Swimwear and The Pilates Class Do you have an idea for a business but no clue where to start Is there a

product or service you're sure you could sell if only you knew how to file the paperwork or fund the company or build the marketing plan. Do you have an inkling that you'll want to start a business one day and you can't stop wondering if you have what it takes? Then you have come to the right place. In this empowering guide, Natasha gives an honest account of the blood, sweat, and tears that goes into creating a successful business: from registering your company and opening a bank account all the way to building your team and scaling for growth. Removing the glamour of hustle culture and the illusion of how easy it might look on social media, Natasha will detail how she bartered jobs and co-founded Monday Swimwear in her living room with her best friend and grew that business and others to a multi-million dollar empire. And she will explain how, no matter what your idea, if you are excessively obsessed with it, you can do the same. In her book, she will show readers how to harness your idea to create a viable business that has longevity. Know when to leave your job, how to fund your start-up, and whether you need a business partner. Generate and grow a huge following. Build contacts when no one knows who you are. Rise above pressures of social media to use it powerfully and with purpose. Create work-life balance to avoid burnout and take care of yourself. Excessively Obsessed is for anyone who has ever wondered, "Should I start my own business?" Spoiler alert: There's no right answer. And whether you decide to get started tomorrow or give it more time, you'll close this book with a reignited sense of passion and purpose in your career. Through her own story, Natasha will inspire readers to tap into their own unique potential because when you find your calling, it's worth becoming obsessed.

The Cambridge Handbook of Creativity

James C. Kaufman, Robert J. Sternberg, 2010-08-23. The Cambridge Handbook of Creativity is a comprehensive scholarly handbook on creativity from the most respected psychologists, researchers, and educators. This handbook serves both as a thorough introduction to the field of creativity and as an invaluable reference and current source of important information. It covers such diverse topics as the brain, education, business, and world cultures. The first section, Basic Concepts, is designed to introduce readers to both the history of and key concepts in the field of creativity. The next section, Diverse Perspectives of Creativity, contains chapters on the many ways of approaching creativity. Several of these approaches, such as the functional, evolutionary, and neuroscientific approaches, have been invented or greatly reconceptualized in the last decade. The third section, Contemporary Debates, highlights ongoing topics that still inspire discussion. Finally, the editors summarize and discuss important concepts from the book and look to what lies ahead.

William S. Burroughs Cutting Up the Century

Joan Hawkins, Alex Wermer-Colan, 2019-05-17. This definitive book on Burroughs' decades-long cut-up project and its relevance to the American twentieth century includes previously unpublished works. William S. Burroughs's Nova Trilogy, *The Soft Machine*, *Nova Express*, and *The Ticket That Exploded* remains the best-known of his textual cut-up creations, but he committed more than a decade of his life to searching out multimedia for use in works of collage. By cutting up, folding in, and splicing together newspapers, magazines, letters, book reviews, classical literature, audio recordings, photographs, and films, Burroughs created an eclectic and wide-ranging countercultural archive. This collection includes previously unpublished work.

by Burroughs such as cut ups of work written by his son cut ups of critical responses to his own work collages on the Vietnam War and the Watergate scandal excerpts from his dream journals and some of the few diary entries that Burroughs wrote about his wife Joan William S Burroughs Cutting Up the Century also features original essays interviews and discussions by established Burroughs scholars respected artists and people who encountered Burroughs The essays consider Burroughs from a range of perspectives literary studies media studies popular culture gender studies post colonialism history and geography A landmark in scholarship Choice **Leadership & Innovation During Crisis** Liam Collins ,2024-09-01

Leadership and Innovation During Crisis Lessons from the Iraq War examines the role of leadership during wartime innovation efforts and finds that the senior military leader is essential for successful innovation affecting both the likelihood of innovation and the form it takes Through use cases and examples from the Iraq War the author shows that innovation only occurs if leaders actively embrace innovation and employ the appropriate influence tactics to overcome the inherent individual and organizational resistance to change Although this book only examines wartime innovation in the military the findings also apply broadly to peacetime and non military innovation efforts **Business of Staffing: A Talent Agenda**
