Langworth,2017-11-15 Winston Churchill indispensable when liberty was in peril died in 1965 Yet he is still accused of numerous sins from alcoholism and racism to misogyny and warmongering On the Internet he simmers in a stew of imagined misdeeds using poison gas firebombing Dresden causing the Bengal famine and so on Drawing on the author's fifty years of

research and writing on Churchill this book uncovers scores of myths surrounding him the popular and the obscure to reveal what he really said and did about many issues Churchill had two personas one that thought deeply about the nature of humanity and one that helped solve seemingly intractable problems In his many decades in public life he made mistakes but his faults were well eclipsed by his virtues The Journal of Military History ,1999
