M. Petesch, 2005 Memory of course is sometimes like a bucking horse sometimes a runaway one and one must control the reins until finally it stops snorting with exhausted relief writes Natalie L M Petesch in her haunting new collection *The Confessions of Señora Francesca Navarro and Other Stories* Petesch immerses readers in the lives of people caught up in the 1936-39 Spanish Civil War which left more than five hundred thousand dead She captures the hand to mouth existence on the streets of Madrid of two war orphans an old soldier's memories of a fallen militiaman the dilemma of Franco's laundress as she seeks to duplicate a stolen religious icon she finds in his home and a man's struggle to find his bride among thousands of Republican refugees waiting for ships to evacuate them before Franco's Fascists arrive to kill them In the title novella an elderly woman describes to her granddaughter how the families of Franco's officers fighting against Republican militiamen endured hunger filth and danger in an underground fortress Petesch conveys the humiliating details of war through the sensibility of a cultured woman who recalls only too vividly latrines made of laundry tubs the smell of unwashed humans and the stench of death Brilliant in its imaginative power and heartbreaking in its access to the bottomless well of human tears *The Confessions of Señora Francesca Navarro and Other Stories* is the work of a mature artist able to convey a particular world so vividly that we know these people as our own The Railroad in American Fiction Grant Burns, 2015-01-28 Nothing better represented the early spirit of American expansion than the railroad Dominant in daily life as well as in the popular imagination the railroad appealed strongly to creative writers For many years fiction of railroad life and travel was plentiful and varied As the nineteenth century receded the railroad's allure faded as did railroad fiction Today it is hard to sense what the railroad once meant to Americans The fiction of the railroad often by railroaders themselves recaptures that sense and provides valuable insights on American cultural history This extensively annotated bibliography lists and discusses in 956 entries novels and short stories from the 1840s to the present in which the railroad is important Each entry includes plot and character description to help the reader make an informed decision on the source's merit A detailed introduction discusses the history of railroad fiction and highlights common themes such as strikes hoboes and the roles of women and African Americans Such writers of pure railroad fiction as Harry Bedwell Frank Packard and Cy Warman are well represented along with such literary artists as Mark Twain Thomas Wolfe Flannery O'Connor and Ellen Glasgow

Work by minority writers including Jean Toomer Richard Wright Frank Chin and Toni Morrison also receives close attention An appendix organizes entries by decade of publication and the work is indexed by subject and title
