Between two world wars he became the laureate of cricket by doing the same with words. In The Great Romantic award winning author Duncan Hamilton demonstrates how Cardus changed sports journalism for ever. While popularising cricket while appealing in Cardus words to people who didn't know a leg break from the pavilion cat at Lord's he became a star in his own right with exquisite phrase making disdain for statistics and a penchant for literary and musical allusions. Among those who venerated Cardus were PG Wodehouse John Arlott Harold Pinter JB Priestley and Don Bradman. However behind the rhapsody in blue skies green grass and colourful characters this richly evocative biography finds that Cardus' mother was a prostitute he never knew his father and he received negligible education. Infatuations with younger women ran parallel to a decidedly unromantic marriage. And astonishingly the supreme stylist's aversion to factual accuracy led to his reporting on matches he never attended. Yet Cardus also belied his impoverished origins to prosper in a second class conscious profession becoming a music critic of international renown. The Great Romantic uncovers the dark enigma within a golden age.

Harold Larwood Duncan Hamilton, 2017-02-02 Winner of the William Hill Sports Book of the Year this is the first ever biography of Harold Larwood. Larwood one of the most talented accurate and intimidating fast bowlers of all time is mainly remembered for his role in the infamous Bodyline series of 1932-3 which brought Anglo-Australian diplomatic relations to the brink of collapse. Larwood was made the scapegoat and despite the fact he was simply following his captain's instructions he never played cricket for England again. Devastated by this betrayal he eventually emigrated to Australia where he was accepted by the country that had once despised him. Acclaimed author Duncan Hamilton has gained unprecedented access to

the late sportsman's family and archives to tell the story of a true working class hero and cricketing legend **Don Bradman** Brett Hutchins, 2002-09-23 This fascinating book takes a different look at Australia's all time sporting hero Sir Donald Bradman **Cricket Commentary & Commentators** Ravi Chaturvedi, 2019-11-16 I have been handed the new ball and asked to bowl the opening spell in this book of Cricket Commentary and Commentators It was always my ambition to play Test cricket for India but I was allergic to grass A pity because I would have been the silliest mid on to have played Test cricket My long leg would have been a sensation There have never been swingers to match mine I used to be such an agile fielder that a piece of music Third Man Theme was composed as a tribute On the serious side as a commentator I was always fascinated by how cricket commentary began While the journey of cricket commentary is fairly well recorded in Australia and England the information on the subject in other eight Test playing countries is scanty This book Cricket Commentary Commentators is a humble attempt to weave together threads scattered in different areas and diverse directions The scope of the book has been enlarged to include not just commentators but even anchors presenters scorers and statisticians while making it a compendium on commentary With these opening remarks I urge you the reader to move forward **Australian Book Review**, 1986 **Wisden India Almanack 2016** Suresh Menon, 2016-02-26 Wisden has grown through the years to embrace innovation and maintain its status as the most revered and cherished brand in cricket The Bible of Cricket Wisden Cricketers Almanack has been published every year since 1864 Wisden's Cricketers of the Year Awards one of the oldest honours in the sport dates back to 1889 The Almanack known for editorial excellence has been a perennial bestseller in the UK The fourth edition with India specific content is even more engrossing Contributors include Ramachandra Guha Ian Chappell Ajit Wadekar Amol Rajan Osman Samiuddin Dileep Premachandran Prashant Kidambi Ruchir Joshi Rajdeep Sardesai Akash Chopra Jarrod Kimber and Jack Hobbs **William John McKell** Christopher Cunneen, 2000 In this first full length biography of William McKell in nearly thirty years Christopher Cunneen provides a vivid portrait of the development of this important and in some ways enigmatic Labor figure and an insight into New South Wales politics during a key period in twentieth century history **BOOK JACKET** *Bodyline Autopsy* David Frith, 2013-06-24 In 1932 England's cricket team led by the haughty Douglas Jardine had the fastest bowler in the world Harold Larwood Australia boasted the most prolific batsman the game had ever seen the young Don Bradman He had to be stopped The leg side bouncer onslaught inflicted by Larwood and Bill Voce with a ring of fieldsmen waiting for catches caused an outrage that reverberated to the back of the stands and into the highest levels of government Bodyline as this infamous technique came to be known was repugnant to the majority of cricket lovers It was also potentially lethal one bowl fracturing the skull of Australian wicketkeeper Bert Oldfield and the technique was outlawed in 1934 After the death of Don Bradman in 2001 one of the most controversial events in cricketing history the Bodyline technique finally slid out of living memory Over seventy years on the 1932-33 Ashes series remains the most notorious in the history of Test cricket between Australia and England David Frith's gripping narrative has
